NATIONAL CREDIT UNION ADMINISTRATION

12 CFR Parts 701 and 741

Third-Party Servicing of Indirect Vehicle Loans

AGENCY: National Credit Union Administration.

ACTION: Final rule.

SUMMARY: The National Credit Union Administration (NCUA) is issuing a final rule to regulate purchases by federally insured credit unions of indirect vehicle loans serviced by third-parties. The rule limits the aggregate amount of these loans serviced by any single third-party to a percentage of the credit union's net worth. The rule ensures that federally insured credit unions do not undertake undue risk with these purchases.

DATES: This rule is effective July 28, 2006.

SUPPLEMENTARY INFORMATION:

A. Background

In December 2005, the Board issued for public comment a proposed rule establishing concentration limits for indirect automobile loans and loan participations serviced by third-party servicers. 70 FR 75753 (Dec. 21, 2005). As stated in the preamble to the proposed rule, the Board recognizes indirect lending has certain advantages for credit unions, such as growth in membership and loans, but is concerned some credit unions may involve themselves in indirect, outsourced programs—meaning programs in which a third party manages a credit union's relationship with automobile dealers and, because the third party handles loan servicing, with the credit union's members as well—without undertaking adequate due diligence, implementing appropriate controls, and having sufficient experience with a third party servicer.
