

questions and will be the day-to-day contact for the project. This may be a different individual signing the Non-Federal certification.

C. Item 8. Funding and Partners. Post-construction costs including monitoring do not count as a cost share for projects funded under the Estuary Restoration Act and should not be included in the estimated total project cost. In the table, list the amount of funds being sought from the Estuary Habitat Restoration Program as from the Corps, as in-kind and with the entire amount originating from a Federal funding source.

D. Include the name of the organization as well as the title of the individual signing the Non-Federal Sponsor certification.

E. If submitting a proposal electronically, a hard copy of the Letter of Assurance and Certification may be submitted if its is post-marked by the closing date for this announcement and the electronic submission has the text of the Letter of Assurance and Certification with an indication of the date signed and name/title organization of the individual signing these documents. The Letter of Assurance should be addressed to "Chairman, Estuary Habitat Restoration Council" and sent to the address in Section X for hard copy submittals.

F. In the project description section of the project application form the phrase "Estimated life cycle of the project" refers to the functional life of the project. As an example a wetland may fill with sediment over time and its functionality diminished. The "life-cycle" would be the number of years until the project no longer provided the original benefits.

G. The proposed project should only be described as innovative if the Non-Federal Sponsor is requesting the special cost sharing for the incremental costs of including testing of or a demonstration of an innovative technology as defined in the application form.

X. Application Process

Proposal application forms are available at http://www.usace.army.mil/civilworks/cecwp/estuary_act/ or by contacting Ms. Ellen Cummings, Headquarters, U.S. Army Corps of Engineers, Washington, DC 20314-1000, (202) 761-4750, e-mail:

Ellen.M.Cummings@usace.army.mil; or Chip Smith, Office of the Assistant Secretary of the Army (Civil Works), Washington, DC (703) 693-3655, e-mail: Chip.Smith@HODA.Army.Mil. The application form has been approved by OMB in compliance with the Paper Work Reduction Act and is OMB No.

0710-0014 with an expiration date of 4/30/2008. Electronic submissions are preferred and should be sent to estuary.restoration@usace.army.mil. Multiple e-mail messages may be required to ensure successful receipt of the files exceed 4MB in size. Questions may also be sent to the same e-mail address. Hard copy submissions may be sent or delivered to HQUSACE, ATTN: CECW-PC, 7701 Telegraph Road #3D72, Alexandria, VA 22315-3860. The part of the nomination prepared to address the "proposal elements" portion of the application should be no more than twelve double-spaced pages, using a 10 or 12-point font. Paper copies should be printed on one side only of an 8.5 in. x 11 in. page and not bound. Only one hard copy is required. A PC-compatible floppy disk or CD-ROM in either Microsoft Word or WordPerfect format may accompany the paper copy. Nominations for multiple projects submitted by the same applicant must be submitted in separate e-mail messages and/or envelopes.

Brenda S. Bowen,

Army Federal Register Liaison Officer.

BILLING CODE 3710-92-M

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Chief of Engineers Environmental Advisory Board

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of open meeting.

SUMMARY: In accordance with Section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), announcement is made of the following committee meeting:

Name of Committee: Chief of Engineers Environmental Advisory Board (EAB).

Date of Meeting: July 19, 2006.

Place: U.S. Army Engineer Research and Development Center, Coastal and Hydraulics Laboratory, 3909 Halls Ferry Road, Vicksburg, MS 39180-6199.

Time: 8:30 a.m. to 3 p.m.

FOR FURTHER INFORMATION CONTACT: Ms. Rennie Sherman, Executive Secretary, rennie.h.sherman@usace.army.mil 202-761-7771. Notice of intent to attend the meeting must be provided by July 17, 2006.

SUPPLEMENTARY INFORMATION: The Board advises the Chief of Engineers by providing expert and independent

advice on environmental issues facing the Corps of Engineers.

Proposed Agenda: On Wednesday, July 19, a joint meeting with the Coastal Engineering Research Board will be held. Presentations concerning Coastal Restoration Challenges are expected to include the following topics, "Interagency Performance Evaluation Taskforce," "Louisiana Coastal Protection and Restoration Project," "Mississippi Coastal Improvement Project," and "Louisiana Coastal Area."

The entire meeting is open to the public; and public comment is tentatively scheduled for 2 p.m. Since the meeting will be held in a government facility and seating capacity of the meeting is limited, advance notice of attendance is required. All attendees must stop at the guard gate and give their name and destination to the attending guard. A list of attendees will be provided to security. Oral participation by public attendees is encouraged during the time scheduled on the agenda. Each speaker will be limited to 3 minutes in order to accommodate as many people as possible during the limited time. Written statements may be submitted prior to the meeting or up to 30 days after the meeting.

Brenda S. Bowen,

Army Federal Register Liaison Officer.
