A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Rule Filing History

On November 21, 2003, NASD filed with the Commission a proposed rule change to amend IM-8310-2 and amended the proposed rule change in Amendment Nos. 1, 2, and 3 on September 28, 2004, March 8, 2005, and April 12, 2005, respectively. The Commission published the Notice in the **Federal Register** on June 30, 2005.⁸ The comment period closed on July 21, 2005. Based on comments received in response to the Notice, NASD is filing Amendment No. 4 to amend the rule language of IM-8310-2.⁹

Proposal

The sole substantive change to the proposed rule language of IM-8310-2 in Amendment No. 4 concerns the conditions under which NASD proposes to release Historic Complaints through BrokerCheck.¹⁰ As provided in Amendment No. 2, NASD proposes to release Historic Complaints only if the most recent Historic Complaint or currently reported customer complaint, arbitration, or litigation is less than ten (10) years old and the person has a total of three (3) or more currently disclosable regulatory actions, currently reported customer complaints, arbitrations, or litigations, or Historic Complaints, or any combination thereof.

In Amendment No. 4, based on concerns from certain commenters,¹¹ NASD proposes to change the way in which it determines whether an individual's Historic Complaints

become eligible for disclosure through BrokerCheck. In response to the Notice, commenters contended that firms and registered persons made certain decisions with respect to customer complaints, arbitrations, or litigations based on the rules under which the Central Registration Depository and BrokerCheck currently operate (for example, electing to enter into a settlement for what they considered to be a nuisance value to maintain good client relationships or avoid expensive litigation).

Accordingly, NASD proposes to amend the proposed rule language to provide that Historic Complaints will be eligible for disclosure only if the matter becomes a Historic Complaint on or after the implementation date of this proposed rule change, *i.e.*, was archived on or after the implementation date of this proposed rule change. NASD believes that it is in the public interest for those items that are available for disclosure through BrokerCheck on or after the implementation date of the proposed rule change to be eligible for disclosure as Historic Complaints.

The proposed modification to this rule would continue to provide that NASD will disclose through BrokerCheck all of an individual's Historic Complaints if: (1) The most recent Historic Complaint or currently reported customer complaint, arbitration, or litigation is less than ten (10) years old, and (2) the person has a total of three (3) or more currently disclosable regulatory actions, currently reported customer complaints, arbitrations, or litigations, or Historic Complaints (subject to the limitation that they became a Historic Complaint on or after the implementation date of the proposed rule change), or any combination thereof.

NASD will announce the effective date of the proposed rule change in a *Notice to Members* to be published no later than 60 days following Commission approval. The effective date will be 30 days following publication of the *Notice to Members* announcing Commission approval.¹²

2. Statutory Basis

NASD believes that the proposed rule change, as amended, is consistent with the provisions of section 15A(b)(6) of the Act,¹³ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to

promote just and equitable principles of trade, and, in general, to protect investors and the public interest, and section 15A(i),¹⁴ which requires that NASD establish and maintain a toll-free telephone listing to receive inquiries regarding disciplinary actions involving its members and their associated persons and promptly respond to such inquiries in writing. NASD states that the proposed rule change, as amended, is designed to accomplish these ends by broadening the types of information released to the investing public through NASD BrokerCheck. At the same time, the proposed rule change, as amended, establishes a principled basis for disclosure that meets NASD's investor protection objectives, while fairly addressing the proprietary interests of firms and the privacy interests of their associated persons.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NASD has submitted as a separate document its response to comments received by the Commission in response to the publication of the Notice on June 30, 2005.¹⁵

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which NASD consents, the Commission will:

(A) By order approve such proposed rule change, as amended, or

(B) Institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the filing, as amended by Amendment Nos. 4 and 5, including whether the filing is

¹⁵ See Notice and NASD Response to Comments, *supra* notes 3 and 4.

⁸ *Id.*

⁹ See also Amendment No. 5, *supra* note 5.

¹⁰ For purposes of IM-8310-2, Historic Complaints are defined as customer complaints that are more than two years old and have not been settled or adjudicated, or customer complaints, arbitrations, or litigations that have been settled for an amount less than \$10,000, and which are no longer reported on a registration form.

NASD currently calculates the two-year period for disclosure of a customer complaint as of the date the customer complaint was first reported on Form U4 or Form U5. Under the proposed rule change, and consistent with the current interpretation of Form U4 and Form U5, NASD will consider this two-year period to begin on the date on which the member received the complaint, both for purposes of reportability on Form U4 and Form U5 and for purposes of disclosure pursuant to IM-8310-2. Accordingly, under the proposed rule change, a customer complaint that has not been settled or adjudicated within the two-year period beginning on the date on which the member received the complaint would cease to be reported on Forms U4 and U5 and would also become a Historic Complaint.
