

(NAEP) results for 2007–2012, and their implications on future NAEP activities. The discussion of independent government cost estimates prior to the development of the Request for Proposals for the NAEP 2007–2012 contracts is necessary for ensuring that NAEP contracts meet congressionally mandated goals and adhere to Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program and would provide an advantage to potential bidders attending the meeting. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

The second agenda item for the closed session of the Executive Committee on August 3 is the discussion and nomination of the Board Vice-Chair. This discussion pertains solely to internal personnel rules and practices of an agency and will disclose information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 U.S.C.

On August 4, the full Board will meet in open session from 8:30 a.m. to 4:15 p.m. From 8:30 a.m. to 9 a.m. the Board will approve the agenda, followed by an Oath of Office ceremony for a new Board member. The Board will then receive the Executive Director's report and hear an update on the work of the National Center for Education Statistics (NCES).

From 9:45 a.m. to 12:15 p.m. on August 4, the Board's standing committees—the Assessment Development Committee; the Committee on Standards, Design and Methodology, and the Reporting and Dissemination Committee—will meet in open session.

On August 4, the full Board will meet in closed session from 12:15 p.m. to 1:30 p.m. The Board will receive a briefing provided by the Associate Commissioner, NCES, on policy issues relating to upcoming Report Cards and secure student achievement data related to three upcoming NAEP reports. The Board will discuss its proposed Policy Statement and Guidelines on Reporting, Release, and Dissemination of NAEP Results in relation to embargoed data from: (1) The 2005 Trial Urban District Assessment in Science; (2) the 2005 12th Grade Reading and Mathematics Report Card; and (3) the Puerto Rico

NAEP Mathematics Assessment. These data constitute a major basis for the national release of the NAEP results, and cannot be released in an open meeting prior to the official release of the reports. The meeting must therefore be conducted in closed session as disclosure of data would significantly impede implementation of the NAEP release activities, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On August 4 from 1:30 p.m. to 2:30 p.m. the Board will receive a report from the Ad Hoc Committee on Planning for NAEP 12th Grade Assessments in 2009. This session will be followed by Board action on the NAEP 12th Grade Mathematics Objectives and Specifications from 2:45 p.m. to 3:30 p.m. From 3:30 p.m. to 4:15 p.m., the Board will take action on the NAGB Policy Statement and Guidelines on Reporting, Release, and Dissemination of NAEP Results, upon which the August 4 session of the Board meeting will conclude.

On August 5, 2006 from 8:15 a.m. to 8:45 a.m., the Nominations Committee will meet in open session. From 9 a.m. to 9:30 a.m. the full Board will meet in open session to receive a briefing on NAEP Assessment and Booklet Design, followed by Board action from 9:30 a.m. to 10 a.m. on NAEP/NAGB Public Identity Marks. From 10 a.m. to 10:30 a.m., the Board will receive an update on the NAEP 2011 Writing Framework project.

Board actions on policies and Committee reports are scheduled to take place between 10:45 a.m. and 12 p.m., upon which the August 5, 2006 session of the Board meeting will adjourn.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9 a.m. to 5 p.m. eastern standard time.

Dated: July 3, 2006.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commentors will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process.
