SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54100; File No. SR-CHX-2006-13]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Order Approving Proposed Rule Change Relating to Participant Fees and Credits

July 5, 2006.

On April 24, 2006, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend its Participant Fee Schedule ("Fee Schedule") to reduce, retroactively to March 1, 2006, the assignment fees charged to specialist firms seeking the right to trade securities, when the securities are assigned in competition with other firms. The proposed rule change was published for comment in the **Federal Register** on June 1, 2006.³ The Commission received no comments regarding the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and in particular, with section 6(b)(4) of the Act,⁴ which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.⁵ The proposed retroactive fee reduction was filed simultaneously with, and is identical to, a fee reduction applied by the Exchange prospectively as of April 24, 2006.⁶ That fee reduction was based on the Exchange's belief that the right to trade securities as an Exchange specialist has only a short-term benefit, in view of an Exchange proposal pending with the Commission to implement a new trading model that does not involve the use of specialists to handle customer orders.⁷ The Exchange believes that it is appropriate to apply the fee reduction

¹⁰ The effective date of the original proposed rule change is June 23, 2006, and the effective date of Amendment No. 1 is June 30, 2006. For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers such period to commence on June 30, 2006, the date on which the Exchange filed Amendment No. 1. retroactively to specialist assignments made in the period beginning March 1, 2006, a time when, the Exchange states, its management began talking with specialist firms about the reasons for, and possibility of, this type of fee reduction. The Commission believes such reduction is consistent with the Act.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-CHX-2006-13) is approved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54103; File No. SR-NASD-2004-043]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Order Approving a Proposed Rule Change and Notice of Filing and Order Granting Accelerated Approval of Amendment No. 4 to the Proposed Rule Change Relating to Disclosure of Fees and Expenses in Mutual Fund Performance Sales Material

July 5, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 12, 2005, the National Association of Securities Dealers, Inc. ("NASD"), filed with the Securities and Exchange Commission ("SEC" or "Commission") Amendment No. 4 to the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASD. This order notices, and solicits comments from interested persons on, Amendment No. 4 to the proposal and approves the proposal as amended.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD is proposing to amend NASD Rules 2210 and 2211 to require member communications with the public, other than institutional sales material and public appearances, that present mutual

fund performance information ("performance sales material") to disclose the fund's fees, expenses and standardized performance. The text of the proposed rule change is available on NASD's Web site (<http://www.nasd.com>), at NASD's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

Purpose

On March 10, 2004, NASD filed with the Commission a proposal to amend NASD Rules 2210 and 2211 to require that mutual fund communications with the public that provide performance data disclose the fund's fees, expenses and standardized performance. NASD believes these new requirements would improve investor awareness of the costs of buying and owning a mutual fund, facilitate comparison of funds and make the presentation of standardized performance more prominent. The Commission published the proposed rule change and Amendment No. 1 thereto for comment in the **Federal Register** on August 27, 2004.³ The Initial Proposal would have required that:

- Performance sales material disclose:
 - The standardized performance information mandated by Rule 482 under the Securities Act of 1933⁴ ("Rule 482") and Rule 34b-1 under the Investment Company Act of 1940⁵ ("Rule 34b-1");
 - To the extent applicable, the maximum front-end and deferred sales charges stated in the fund's current prospectus; and
 - The fund's total annual operating expense ratio, as stated in the investment company's current

³ Exchange Act Release No. 50226 (Aug. 20, 2004), 69 FR 52738 (Aug. 27, 2004) ("Initial Proposal"). Amendment No. 2, which changed the proposal in response to industry comments, was filed on May 2, 2005. Amendment Nos. 3 and 4, which altered the proposed rule change to harmonize it with the requirements of Rule 482 and Rule 34b-1, were filed on July 27, 2005, and December 13, 2005, respectively. Amendment No. 4 replaced Amendment Nos. 2 and 3 in their entirety.

prospectus.

- All required performance information and fee disclosure be set forth:
 - Clearly and prominently, and standardized performance information be in a type size at least as large as that used for any non-standardized performance information;
 - With respect to any radio, television or video advertisements, with equal prominence to that given to any non-standardized performance information; and
 - In any advertisement, other than radio, television or video advertisements, in a prominent text box that contains only the required information.

Comments Received on the Initial Proposal and NASD's Response

The Commission received five comment letters on the Initial Proposal.⁶ Commenters' concerns fell into three principal categories. First, commenters either opposed the text box requirement in its entirety or believed that, to be workable, NASD needed to modify the proposal to allow greater flexibility for electronic media such as Web sites. Second, some commenters stated that ongoing fees should be calculated net of fee waivers and expense reimbursements. Finally, commenters urged NASD to provide members with ample time to comply with any new rule and to allow the use of templates when filing revised sales material. A summary of the comment letters and NASD's response is set forth below.

Text Box Requirement

Three commenters objected that the proposed text box requirement would be unduly restrictive and would make it difficult to advertise the performance of multiple funds.⁷ These commenters also
