

terminate any correspondent account that is opened or maintained in the United States for, or on behalf of, VEF Bank.

(2) *Due diligence of correspondent accounts to prohibit indirect use.* (i) A covered financial institution shall apply due diligence to its correspondent accounts that is reasonably designed to guard against their indirect use by VEF Bank. At a minimum, that due diligence must include:

(A) Notifying correspondent account holders that the correspondent account may not be used to provide VEF Bank with access to the covered financial institution; and

(B) Taking reasonable steps to identify any indirect use of its correspondent accounts by VEF Bank, to the extent that such indirect use can be determined from transactional records maintained in the covered financial institution's normal course of business.

(ii) A covered financial institution shall take a risk-based approach when deciding what, if any, additional due diligence measures it should adopt to guard against the indirect use of its correspondent accounts by VEF Bank.

(iii) A covered financial institution that obtains knowledge that a correspondent account is being used by the foreign bank to provide indirect access to VEF Bank shall take all appropriate steps to prevent such indirect access, including, where necessary, terminating the correspondent account.

(iv) A covered financial institution required to terminate a correspondent account pursuant to paragraph (b)(2)(iii) of this section:

(A) Should do so within a commercially reasonable time, and should not permit the foreign bank to establish any new positions or execute any transaction through such correspondent account, other than those necessary to close the correspondent account; and

(B) May reestablish a correspondent account closed pursuant to this paragraph if it determines that the correspondent account will not be used to provide banking services indirectly to VEF Bank.

(3) *Recordkeeping and reporting.* (i) A covered financial institution is required to document its compliance with the notice requirement set forth in paragraph (b)(2)(i)(A) of this section.

(ii) Nothing in this section shall require a covered financial institution to report any information not otherwise required to be reported by law or regulation.

Dated: July 5, 2006.

Coast Guard

33 CFR Part 100

[CGD05-06-036]

RIN 1625-AA08

Special Local Regulations for Marine Events; Chesapeake Bay, Cape Charles, VA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing special local regulations for the "East Coast Boat Racing Club power boat race", a marine event to be held over the waters of the Chesapeake Bay adjacent to Cape Charles, Virginia. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic on the Chesapeake Bay in the vicinity of Cape Charles Beach, Cape Charles, Virginia during the event.

DATES: This rule is effective from 11:30 a.m. on August 5, 2006 to 4:30 p.m. on August 6, 2006.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket [CGD05-06-036] and are available for inspection or copying at Commander (dpi), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Dennis Sens, Project Manager, Fifth Coast Guard District, Inspections and Investigations Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On May 19, 2006, we published a Notice of proposed rulemaking (NPRM) entitled Special Local Regulations for Marine Events; Chesapeake Bay, Cape Charles, VA in the **Federal Register** (71 FR 29115). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Background and Purpose

On August 5, 2006, the East Coast Boat Racing Club of New Jersey will sponsor a power boat race, on the waters of the Chesapeake Bay, Cape Charles, Virginia. The event will consist of approximately 20 New Jersey Speed Garveys and Jersey Speed Skiffs conducting high-speed competitive races along an oval race course in close proximity to Cape Charles Beach, Cape Charles, Virginia. A fleet of spectator vessels is expected to gather nearby to view the competition. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels.

Discussion of Comments and Changes

The Coast Guard did not receive comments in response to the Notice of proposed rulemaking (NPRM) published in the **Federal Register**. Accordingly, the Coast Guard is establishing temporary special local regulations on specified waters of the Chesapeake Bay, Cape Charles, Virginia.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary. Although this regulation will prevent traffic from transiting a portion of the Chesapeake Bay during the event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via the Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly. Additionally, the regulated area has been narrowly tailored to impose the least impact on general navigation yet provide the level of safety deemed necessary. Vessel traffic will be able to transit the regulated area between heats, when the Coast Guard Patrol Commander deems it is safe to do so.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in this portion of the Chesapeake Bay adjacent to Cape Charles Beach during the event.

This rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This rule would be in effect for only a limited period. Vessel traffic will be able to transit the regulated area between heats, when the Coast Guard Patrol Commander deems it is safe to do so. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under **ADDRESSES**. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by

employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the

Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under that section.

Under figure 2–1, paragraph (34)(h), of the Instruction, an “Environmental Analysis Check List” and a “Categorical Exclusion Determination” are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add a temporary § 100.35–T05–036 to read as follows:

§ 100.35–T05–036 Chesapeake Bay, Cape Charles, Virginia.

(a) *Definitions:* The following definitions apply to this section:

(1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector Hampton Roads.

(2) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Sector Hampton Roads with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Participant* includes all vessels participating in the East Coast Boat Racing Club power boat race under the auspices of a Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector Hampton Roads.

(b) *Regulated area:* A regulated area is established for the waters of the Chesapeake Bay, along the shoreline adjacent to Cape Charles, Virginia, to and including waters up to 300 yards offshore, parallel with the Cape Charles Beach shoreline in this area. The area is bounded on the south by a line running northwesterly from the Cape Charles shoreline at latitude 37°16′.2″ North, longitude 076°01′28.5″ West, to a point offshore approximately 300 yards at latitude 37°16′3.4″ North, longitude 076°01′36.6″ West, and bounded on the north by a line running northwesterly from the Cape Charles shoreline at latitude 37°16′26.2″ North, longitude 076°01′14″ West, to a point offshore approximately 300 yards at latitude 37°16′28.9″ North, longitude 076°01′24.1″ West. All coordinates reference Datum NAD 1983.

(c) *Special local regulations:*

(1) Except for event participants and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any Official Patrol.

(ii) Proceed as directed by any Official Patrol.

(iii) When authorized to transit the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the race course.

(d) *Effective Period:* This section is effective from 11:30 a.m. on August 5, 2006 to 4:30 p.m. on August 6, 2006.

(e) *Enforcement period:* This section will be enforced from 11:30 a.m. to 4:30 p.m. on August 5, 2006. If the race is postponed due to weather, then the temporary special local regulations will be enforced during the same time period the next day, August 6, 2006.

Dated: June 29, 2006.

Larry L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.

[CGD05–06–067]

RIN 1625–AA08

Special Local Regulations for Marine Events; Assateague Channel, Chincoteague, VA

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard is implementing the special local regulations for the 2006 Annual Chincoteague Pony Swim, a marine event to be held July 26 and July 28, 2006, on the waters of Assateague Channel at Chincoteague, Virginia. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and to provide for the safety of life on navigable waters during the event. The effect will be to restrict general navigation in the regulated area for the safety of spectators and vessels transiting the event area.

DATES: *Enforcement Dates:* 33 CFR 100.519 will be enforced from 5 a.m. July 26 to 4:30 p.m. on July 28, 2006.

FOR FURTHER INFORMATION CONTACT: Marine Events Coordinator, Commander, Coast Guard Sector Field Office Hampton Roads, 3823 Main Street, Chincoteague, VA 23336–1809, and (757) 336–2891.

SUPPLEMENTARY INFORMATION: The Chincoteague Volunteer Fire Company, Inc., will sponsor the Annual Pony Swim on the waters of the Assateague Channel, near Chincoteague, Virginia from 5 a.m. to 4:30 p.m. on 26 and 28 July, 2006. Approximately 75 ponies will cross Assateague Channel from Assateague Island to Chincoteague, VA. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.519 will be enforced for the duration of the event. Under the provisions of 33 CFR 100.519, vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will be enforced for a limited period, they should not result in a significant disruption of maritime traffic.

In addition to this notice, the maritime community will be provided extensive advance notification via the Local Notice to Mariners, marine information broadcasts, local newspapers and radio stations so mariners can adjust their plans accordingly.

Dated: June 13, 2006.

Larry L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.
