Farm Service Agency

Title: Payment Eligibility and Limitation Determinations for the Noninsured Crop Disaster Assistance Program.

OMB Control Number: 0560-0096.

Summary of Collection: The Farm Service Agency (FSA) administers certain farm programs in which the payments are subject and not subject to the established payment limitations. The Farm Security and Rural Investment Act of 2002 amended the provisions of the Food Security Act of 1985 to provide for a \$40,000 limitation per crop year on the direct payments; \$65,000 per crop year on counter-cyclical payments, \$75,000 per crop year on the amount of marketing loan gains and loan deficiency payments a person may receive; and apply the payment eligibility provisions of the 1985 Act to payments made under the direct and counter-cyclical payment program contract, marketing loan gains and loan deficiency payments. FSA will collect information using several forms.

Need and Use of the Information: FSA will collect information to determine the eligibility for payment and the number of "persons" for the application of the payment limitation required for the respective program. Information is captured on different forms depending upon the nature and the type of program participant's farming operation. Without the data, FSA cannot determine whether the individual or the entity requesting program benefits is eligible and in compliance with the statutory and regulatory requirements of payment eligibility and payment limitation. FSA and the National Appeals Division also use the information on review in the event an appeal is filed by the producer regarding any of the determinations.

Description of Respondents: Farms; Individuals or households; Business or other for-profit.

Number of Respondents: 162,142.

Frequency of Responses: Reporting: On occasion; Annually; Other (as needed).

Total Burden Hours: 266,364.
