SUPPLEMENTARY INFORMATION: This notice announces an administrative hearing to reconsider CMS' decision to disapprove Alaska State plan amendment (SPA) 05-06, which was submitted on August 1, 2005. Specifically, the following issues will be considered on reconsideration: (1) Whether the State demonstrated that the proposed services would be within the scope of "medical assistance" under the State plan pursuant to section 1902(a)(10) of the Act, as defined at section 1905(a) of the Act; (2) whether the State has assured that there is non-Federal funding as required under section 1902(a)(2) to support expenditures that would be claimed under the State plan as the basis for Federal matching funding in light of financial arrangements that do not appear to result in net expenditures; (3) whether the proposed payment rates meet the requirements of section 1902(a)(30)(A) of the Act to be consistent with efficiency, economy, and quality of care, in light of financial arrangements under which the providers do not retain
