SUPPLEMENTARY INFORMATION: This administrative action is instituted pursuant to the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), hereinafter referred to as the "Act." This action is governed by the provisions of sections 556 and 557 of Title 5 of the United States Code and, therefore, is excluded from the requirements of Executive Order 12866. The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) seeks to ensure that within the statutory authority of a program, the regulatory and informational requirements are tailored to the size and nature of small businesses. Interested persons are invited to present evidence at the hearing on the possible regulatory and informational impacts of the proposals on small businesses.

The amendments proposed herein have been reviewed under Executive Order 12988, Civil Justice Reform. They are not intended to have retroactive effect. If adopted, the proposed amendments would not preempt any State or local laws, regulations, or policies, unless they present an irreconcilable conflict with the proposals.

The Act provides that administrative proceedings must be exhausted before parties may file suit in court. Under section 608c(15)(A) of the Act, any handler subject to an order may file with the U.S. Department of Agriculture (Department) a petition stating that the order, any provision of the order, or any obligation imposed in connection with the order is not in accordance with law and request a modification of the order or to be exempted therefrom. A handler is afforded the opportunity for a hearing on the petition. The Act provides that the district court of the United States in any district in which the handler is an inhabitant, or has his or her principal place of business, has jurisdiction to review the Department's ruling on the

petition, provided an action is filed not later than 20 days after the date of the entry of the ruling.

The public hearing is called pursuant to the provisions of the Act and the applicable rules of practice and procedure governing the formulation of marketing agreements and orders (7 CFR part 900).

The proposed amendments are the result of the Committee's review of the order. The Committee met several times in 2005, and drafted proposed amendments to the order and presented them at industry meetings. The proposed amendments were then unanimously approved by the Committee.

The Committee's request for a public hearing was submitted to the Department on May 1, 2006. The Committee's proposed amendments to the order are summarized below.

1. Amend the order to provide the Committee authority to borrow funds. This proposal would amend § 915.41, Assessments.

2. Amend the order by revising the voting requirements for Committee recommendations for assessment rate changes from eight concurring votes to a two-thirds majority vote of those Committee members or alternate Committee members in attendance at meetings. This proposal would amend § 915.30, Procedure.

3. Amend the order to allow District 1 nominations, in addition to District 2 nominations, to be conducted by mail. This proposal would amend § 915.22, Nomination.

4. Add authority to the order for the Committee to accept voluntary contributions. This proposal would add a new § 915.43, Contributions.

The Committee works with the Department in administering the order. The Committee's proposed amendments have not received the approval of the Department. The Committee believes that the proposed changes would improve the functioning of the order.

The Department proposes to make any changes to the order as may be necessary to conform with any amendments thereto that may result from the hearing.

The public hearing is being held for the purpose of:

(i) Receiving evidence about the economic and marketing conditions which relate to the proposed amendments of the order;

(ii) Determining whether there is a need for the proposed amendments to the order; and

(iii) Determining whether the proposed amendments or appropriate modifications thereof will tend to effectuate the declared policy of the Act.

Testimony is invited at the hearing on all the proposals and recommendations contained in this notice, as well as any appropriate modifications or alternatives.

All persons wishing to submit written material as evidence at the hearing should be prepared to submit four copies of such material at the hearing and should have prepared testimony available for presentation at the hearing.

From the time the notice of hearing is issued and until the issuance of a final decision in this proceeding, Department employees involved in the decisional process are prohibited from discussing the merits of the hearing issues on an *ex parte* basis with any person having an interest in the proceeding. The prohibition applies to employees in the following organizational units: Office of the Secretary of Agriculture; Office of the Administrator, AMS; Office of the General Counsel, except any designated employee of the General Counsel assigned to represent the Committee in this proceeding; and the Fruit and Vegetable Programs, AMS.
