

each date on which the amount of redemption proceeds to be paid for the redemption of a trust interest is determined, information that will enable requesting persons to determine the redemption proceeds per trust interest on that date. The trustee also must provide requesting persons with a statement that this paragraph applies to the NMWHFIT.

(2) *NMWHFITs that qualify for the exception.* This paragraph (c)(2)(v)(C) applies to a NMWHFIT if substantially all the income of the NMWHFIT consists of dividends (as defined in section 6042(b) and the regulations thereunder) and the NMWHFIT satisfies either paragraph (c)(2)(v)(C)(2)(i) or (ii) of this section. Trust sales proceeds and gross proceeds from a sale described in paragraph (c)(2)(iv)(G) of this section are ignored for the purpose of determining if substantially all of a NMWHFIT's income consists of dividends.

(i) The trustee is required by the governing document of the NMWHFIT to determine and distribute all cash held for distribution (as defined in paragraph (b)(5) of this section) no less frequently than monthly. A NMWHFIT will be considered to have satisfied this paragraph (c)(2)(v)(C)(2)(i) notwithstanding that the governing document of the NMWHFIT permits the trustee to forego making a required monthly or more frequent distribution, if the cash held for distribution is less than 0.1% of the aggregate net asset value of the trust as of the date specified in the governing document for calculating the amount of the monthly distribution.

(ii) The qualified NMWHFIT exception of paragraph (c)(2)(iv)(E) of this section is satisfied.

(vi) *Information regarding bond premium.* The trustee generally must report information that enables a beneficial owner to determine, in any manner that is reasonably consistent with section 171, the amount of the beneficial owner's amortizable bond premium, if any, for each calendar year. However, if a NMWHFIT meets the general *de minimis* test of paragraph (c)(2)(iv)(D)(1) of this section, the qualified NMWHFIT exception of paragraph (c)(2)(iv)(E) of this section, or the NMWHFIT final calendar year exception of paragraph (c)(2)(iv)(F) of this section, the trustee of such NMWHFIT is not required to report information regarding bond premium.

(vii) *Information regarding market discount.* The trustee generally must report information that enables a beneficial owner to determine, in any manner reasonably consistent with section 1276 (including section

1276(a)(3)), the amount of market discount that has accrued during the calendar year. However, if a NMWHFIT meets the general *de minimis* test of paragraph (c)(2)(iv)(D)(1) of this section, the qualified NMWHFIT exception of paragraph (c)(2)(iv)(E) of this section, NMWHFIT final calendar year exception of paragraph (c)(2)(iv)(F) of this section, the trustee of such NMWHFIT is not required to provide information regarding market discount.

(c)(3) through (f)(1)(i) [Reserved.] For further guidance, see § 1.671–5(c)(3) through (e)(4).

(f) *Safe harbor for providing information for certain NMWHFITs—(1) Safe harbor for trustee reporting of NMWHFIT information.* The trustee of a NMWHFIT that meets the requirements of paragraph (f)(1)(i) of this section is deemed to satisfy paragraph (c)(1)(i) of this section, if the trustee calculates and provides WHFIT information in the manner described in this paragraph (f) and provides a statement to a requesting person giving notice that information has been calculated in accordance with this paragraph (f)(1).

(i) *In general—(A) Eligibility to report under this safe harbor.* Only NMWHFITs that meet the requirements set forth in paragraphs (f)(1)(i)(A)(1) and (2) of this section may report under this safe harbor. For purposes of determining whether paragraph (f)(1)(i)(A)(1) of this section is met, trust sales proceeds and gross proceeds from sales described in paragraph (c)(2)(iv)(G) of this section are ignored:

(1) Substantially all of the NMWHFIT's income is from dividends or interest; and

(2) All trust interests have identical value and rights.

(f)(1)(i)(B) through (f)(vii) [Reserved.] For further guidance, see § 1.671–5(f)(1)(i)(B) through (f)(vii).

(viii) *Reporting market discount information under the safe harbor—(A) In general.* If the trustee of a NMWHFIT is required to provide information regarding market discount under paragraph (c)(2)(vii) of this section, the trustee must provide the information required under § 1.671–5(f)(1)(iv)(A)(1)(iii) of this section. If the trustee is not required to provide market discount information under paragraph (c)(2)(vii) of this section (because paragraph (c)(2)(iv) of this section applies to the NMWHFIT), the trustee is not required under this paragraph (f) to provide any information regarding market discount.

(f)(1)(viii)(B) through (m) [Reserved.] For further guidance, see § 1.671–5(f)(1)(viii)(B) through (m).

Mark E. Matthews,

Deputy Commissioner for Services and Enforcement.

Approved: July 28, 2006.

Eric Solomon,

Acting Deputy Assistant Secretary (Tax Policy).

BILLING CODE 4830–01–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD01–06–061]

RIN 1625–AA00

Safety Zone; Lynch Wedding Fireworks Display, Marblehead, MA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the Lynch Wedding Fireworks display on August 5, 2006 in Marblehead, Massachusetts, temporarily closing all waters of the Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge within a four hundred (400) yard radius of the fireworks barges located at approximate positions 42°30.142' N, 070°49.813' W and 42°30.146' N, 070°49.733' W. This zone is necessary to protect the maritime public from the potential hazards posed by a fireworks display. The safety zone temporarily prohibits entry into or movement within this portion of the Atlantic Ocean during its closure period. Entry into this zone is prohibited unless authorized by the Captain of the Port, Boston, Massachusetts or the COTP's designated representative.

DATES: This rule is effective from 7:30 p.m. until 10 p.m. on August 5, 2006.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [CGD01–06–061] and are available for inspection or copying at Sector Boston, 427 Commercial Street, Boston, MA, between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Chief Petty Officer Paul English, Sector Boston, Waterways Management Division, at (617) 223–5456.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM because the logistics with respect to the fireworks presentation were not presented to the Coast Guard with sufficient time to draft and publish an NPRM. Any delay encountered in this regulation's effective date would be contrary to the public interest since the safety zone is needed to prevent traffic from transiting a portion of Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge during the fireworks display and to provide for the safety of life on navigable waters.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that for the same reasons good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. The zone should have a minimal negative impact on vessel transits in the Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge because vessels will be excluded from the area for only two and one half hours, and vessels can still safely operate in other areas of the ocean during the event.

Background and Purpose

The Lynch Family is holding a fireworks display to celebrate a wedding. This rule establishes a temporary safety zone on the waters of the Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge within a four hundred (400) yard radius of the fireworks barges located at approximate positions 42°30.142' N, 070°49.813' W and 42°30.146' N, 070°49.733' W. This safety zone is necessary to protect the life and property of the maritime public from the potential dangers posed by this event. It will protect the public by prohibiting entry into or movement within the proscribed portion of the Atlantic Ocean during the fireworks display.

Marine traffic may transit safely outside of the zone during the effective period. The Captain of the Port does not anticipate any negative impact on vessel traffic due to this event. Public notifications will be made prior to and during the effective period via safety marine information broadcasts and Local Notice to Mariners.

Discussion of Rule

This rule is effective from 7:30 p.m. until 10 p.m. on August 5, 2006. Marine traffic may transit safely outside of the

safety zone in the majority of the Atlantic Ocean during the event. Given the limited time-frame of the effective period of the zone, and the actual size of the zone with respect to the amount of navigable water around it, the Captain of the Port anticipates minimal negative impact on vessel traffic due to this event. Public notifications will be made prior to and during the effective period via Local Notice to Mariners and marine information broadcasts.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this rule to be so minimal that a full Regulatory evaluation is unnecessary. Although this rule will prevent traffic from transiting a portion of the Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge during this event, the effect of this rule will not be significant for several reasons: Vessels will be excluded from the area of the safety zone for only two and one half hours, although vessels will not be able to transit the area in the vicinity of the zone, they will be able to operate in other areas of the ocean during the effective period; and advance notifications will be made to the local maritime community by marine information broadcasts and Local Notice to Mariners.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit or anchor in a portion of the Atlantic Ocean between Marblehead Neck and Marblehead Rock in the vicinity of Lasque Ledge from

7:30 p.m. until 10 p.m. on August 5, 2006. This safety zone will not have a significant economic impact on a substantial number of small entities for the reason described under the Regulatory Evaluation section.

Assistance for Small Entities

Under subsection 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 [Pub. L. 104–121], we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. If this rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call Chief Petty Officer Paul English, Sector Boston, Waterways Management Division, at (617) 223–5456.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the

effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these

standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(g) of the Instruction, from further environmental documentation. This rule fits the category selected from paragraph (34)(g), as it would establish a safety zone.

A final "Environmental Analysis Check List" and a final "Categorical Exclusion Determination" will be available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165.T06–061 to read as follows:

§ 165.T–01–061 Safety Zone; Lynch Wedding Fireworks Display, Marblehead, Ma.

(a) *Location.* The following area is a safety zone:

All waters of the Atlantic Ocean, from surface to bottom between Marblehead

Neck and Marblehead Rock in the vicinity of Lasque Ledge within a four hundred (400) yard radius of the fireworks barges located at approximate positions 42°30.142' N, 070°49.813' W and 42°30.146' N, 070°49.733' W.

(b) *Effective Date.* This rule is effective from 7:30 p.m. until 10 p.m. on August 5, 2006.

(c) *Definitions.* As used in this section *Designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port (COTP).

(d) *Regulations.* (1) In accordance with the general regulations in 165.23 of this part, entry into or movement within this zone by any person or vessel is prohibited unless authorized by the Captain of the Port (COTP), Boston or the COTP's designated representative.

(2) The safety zone is closed to all vessel traffic, except as may be permitted by the COTP or the COTP's designated representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the COTP or the COTP's designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the COTP or the COTP's designated representative.

Dated: July 24, 2006.

James L. McDonald,

Captain, U.S. Coast Guard, Captain of the Port, Boston, Massachusetts.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD01–06–037]

RIN 1625–AA00

Safety Zone; Yankee Homecoming Fireworks, Newburyport, MA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the Yankee Homecoming Fireworks display to be held on August 5, 2006 in Newburyport, Massachusetts. The zone temporarily closes all waters of the Merrimack River within a four hundred (400) yard radius of the fireworks
