Title: Hurricane Education Recovery Awards.

Abstract: The Emergency Supplemental Appropriations Act for Defense, the Global War on Terror and Hurricane Recovery, 2006 (Pub. L. 109-234) provides \$50 million in awards to institutions of higher education, as defined in section 102 of the HEA, that are located in an area in which a major disaster was declared in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act related to hurricanes in the Gulf of Mexico in calendar year 2005, and that were forced to close, relocate or significantly curtail their activities as a result of damage directly caused by the hurricanes. These Hurricane Education Recovery Awards can only be used to defray expenses, including expenses that would have been covered by revenue lost as a direct result of a hurricane, expenses already incurred, and construction expenses directly related to damage resulting from the hurricanes.

Additional Information: The Department needs to collect this information quickly in order to make timely grant awards for FY 2006, which ends September 30, 2006. There is a limited amount of appropriations available at this time, so realistic applications will be favored. Congress has appropriated \$50,000,000.

Frequency: One time submission.

Affected Public: Not-for-profit institutions; Businesses or other for-profit; State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden: Responses: 50.

Reporting and Recordkeeping Hour Burden:

Responses: 43,285.

Burden Hours: 6,457,586.

Abstract: Title I, Part A of the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act, requires State educational agencies, local educational agencies,

and schools to collect and disseminate information to document progress, inform parents and the public about school, district, and state educational performance, and provide services to students and teachers to help at-risk students meet challenging State achievement standards. The change in burden hours is primarily due to updated estimates of the time needed for State educational agency, local educational agency, and school implementation of statutory district and school improvement planning requirements and the statutory requirement that local educational agencies notify parents of eligible students in schools in improvement of their public school choice and supplemental educational services option.
