The Pipelines state that the conversion of LINK® from the current mainframe platform to a client-server platform will cause essentially all functions of LINK® to be unavailable commencing at 5 p.m. CCT on Friday, August 18, 2006 and projected to end at

5 a.m. CCT on Monday, August 21, 2006.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2145-060]

Rocky Reach Hydroelectric Project; Notice of Availability of the Final Environmental Impact Statement for the Rocky Reach Project

August 4, 2006.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission (Commission or FERC) regulations contained in the Code of Federal Regulations (CFR) (18 CFR Part 380 [FERC Order No. 486, 52 FR 47897]), the Office of Energy Projects staff (staff) has reviewed the application for a New Major License for the Rocky Reach Project (FERC No. 2145-060), located on the Columbia River in Chelan County, Washington, and has prepared a Final Environmental Impact Statement (final EIS) for the project. The project occupies about 152 acres of Federal lands managed by the U.S. Bureau of Land Management and the U.S. Forest Service.

The final EIS contains staff's analysis of the applicant's proposal and the alternatives for relicensing the Rocky Reach Project. The final EIS documents the views of the Commission staff and of government agencies, non-government organizations, affected Indian tribes, the public, and the license applicant.

A copy of the final EIS is available for review in the Commission Public Reference Branch, Room 2A, located at 888 First Street, NE., Washington, DC 20426. The final EIS may also be viewed on the Commission's Web site at <http://www.ferc.gov> under the eLibrary link. Enter docket number excluding the last three digits in the docket number field to access the document.
