

unsuitable for all or certain types of surface coal mining operations and for termination of previous designations; and (3) 30 CFR 874.16 and the Abandoned Mine Land Contractor Information form. OSM will request a 3-year term of approval for each information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM's submission of the information collection requests to OMB.

The following information is provided for the information collection: (1) Title of the information collection; (2) OMB control number; (3) summary of the information collection activity; and (4) frequency of collection, description of the respondents, estimated total annual responses, and the total annual reporting and recordkeeping burden for the collection of information.

Title: General, 30 CFR part 700.

OMB Control Number: 1029-0094.

Summary: This Part establishes procedures and requirements for terminating jurisdiction of surface coal mining and reclamation operations, petitions for rulemaking, and citizen suits filed under the Surface Mining Control and Reclamation Act of 1977.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: State and tribal regulatory authorities, private citizens and citizen groups, and surface coal mining companies.

Total Annual Responses: 6.

Total Annual Burden Hours: 84.

Title: Petition process for designation of Federal lands as unsuitable for all or certain types of surface coal mining operations and for termination of previous designations, 30 CFR part 769.

OMB Control Number: 1029-0098.

Summary: This part establishes the minimum procedures and standards for designating Federal lands unsuitable for certain types of surface mining operations and for terminating designations pursuant to a petition. The information requested will aid the regulatory authority in the decision making process to approve or disapprove a request.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: People who may be adversely affected by surface mining on Federal lands.

Total Annual Responses: 1.

Total Annual Burden Hours: 1,067.

Title: Contractor eligibility requirements for general reclamation, 30 CFR 874.16 and the AML Contractor Information Form.

OMB Control Number: 1029-0119.

Summary: 30 CFR 874.16 requires that every successful bidder for an AML contract must be eligible under 30 CFR 773.15(b)(1) at the time of contract award to receive a permit or conditional permit to conduct surface coal mining operations. Further, the regulation requires the eligibility to be confirmed by OSM's automated AVS and the contractor must be eligible under the regulations implementing Section 510(c) of the Surface Mining Act to receive permits to conduct mining operations. The AML Contractor Information form provides a tool for OSM and the States/Indian tribes to help them prevent persons with outstanding violations from conducting further mining of AML reclamation activities in the State.

Bureau Form Number: None.

Frequency of Collection: Once per contract.

Description of Respondents: AML contract applicants and State and tribal regulatory authorities.

Total Annual Responses: 420 bidders and 8 State responses.

Total Annual Burden Hours: 161.

Dated: August 7, 2006.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1104 (Preliminary)]

Certain Polyester Staple Fiber From China

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from China of certain polyester staple

¹The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

fiber, provided for in subheading 5503.0020 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value.

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if the preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Background

On June 23, 2006, a petition was filed with the Commission and Commerce by DAK Americas, LLC, Charlotte, NC; Nan Ya Plastics Corporation, America, Lacke City, SC; and Wellman, Inc., Shrewsbury, NJ; alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of certain PSF from China. Accordingly, effective June 23, 2006, the Commission instituted antidumping duty investigation No. 731-TA-1104 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 29, 2006 (71 FR 37097, June 29, 2006). The conference was held in Washington, DC, on July 14, 2006, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to

the Secretary of Commerce on August 7, 2006. The views of the Commission are contained in USITC Publication 3878 (August, 2006), entitled *Certain Polyester Staple Fiber from China: Investigation No. 731-TA-1104 (Preliminary)*.

Issued: August 7, 2006.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
