SUPPLEMENTARY INFORMATION:

I. Background

The Animal Drug User Fee Act of 2003 (ADUFA) (Public Law 108-130) amended the Federal Food, Drug, and Cosmetic Act (the act) and requires that FDA assess and collect user fees for certain applications, products, establishments, and sponsors. It also requires the agency to grant a waiver from, or a reduction of, those fees in certain circumstances.

The draft guidance explains the procedures FDA expects to use to evaluate waiver requests under the fees exceed costs waiver provision of ADUFA. These procedures may be modified in the future as FDA gains more experience with waiver requests.

To qualify for waiver consideration for fees due on or after October 1, 2004, a written request for a fees exceed costs waiver or reduction must be submitted no later than 180 days after the fee is due (section 740(i) of the act (21 U.S.C. 379j-12(i))).

II. Significance of Guidance

This level 1 draft guidance is being issued consistent with FDA's Good Guidance Practices regulation (21 CFR 10.115). The draft guidance, when finalized, will represent the agency's current thinking on the topic. The document does not create or confer any rights for or on any person and will not operate to bind FDA or the public. Alternative approaches may be used as long as they satisfy the requirements of the applicable statutes and regulations.
