Migratory Bird Hunting; Proposed Migratory Bird Hunting Regulations on Certain Federal Indian Reservations and Ceded Lands for the 2006-07 Season**AGENCY:** Fish and Wildlife Service, Interior.**ACTION:** Proposed rule.**SUMMARY:** The U.S. Fish and Wildlife Service (hereinafter, Service or we) proposes special migratory bird hunting regulations for certain Tribes on Federal Indian reservations, off-reservation trust lands, and ceded lands for the 2006-07 migratory bird hunting season.**DATES:** We will accept all comments on the proposed regulations that are postmarked or received in our office by August 28, 2006.**ADDRESSES:** Send your comments on these proposals to the Chief, Division of Migratory Bird Management, U.S. Fish and Wildlife Service, Department of the Interior, MS MBSP-4107-ARLSQ, 1849 C Street, NW., Washington, DC 20240, or fax comments to (703) 358-2272. All comments received will become part of the public record. You may inspect comments during normal business hours in room 4107, 4501 N. Fairfax Drive, Arlington, Virginia.**FOR FURTHER INFORMATION CONTACT:** Ron W. Kokel, Division of Migratory Bird Management, U.S. Fish and Wildlife Service, (703) 358-1714.**SUPPLEMENTARY INFORMATION:** In the April 11, 2006, **Federal Register** (71 FR 18562), we requested proposals fromIndian Tribes wishing to establish special migratory bird hunting regulations for the 2006-07 hunting season, under the guidelines described in the June 4, 1985, **Federal Register** (50 FR 23467). In this supplemental proposed rule, we propose special migratory bird hunting regulations for 28 Indian Tribes, based on the input we received in response to the April 11, 2006, proposed rule. As described in that document/proposed rule, the promulgation of annual migratory bird hunting regulations involves a series of rulemaking actions each year. This proposed rule is part of that series.

We developed the guidelines for establishing special migratory bird hunting regulations for Indian Tribes in response to tribal requests for recognition of their reserved hunting rights and, for some Tribes, recognition of their authority to regulate hunting by both tribal and nontribal hunters on their reservations. The guidelines include possibilities for:

(1) On-reservation hunting by both tribal and nontribal hunters, with hunting by nontribal hunters on some reservations to take place within Federal frameworks but on dates different from those selected by the surrounding State(s);

(2) On-reservation hunting by tribal members only, outside of the usual Federal frameworks for season dates and length, and for daily bag and possession limits; and

(3) Off-reservation hunting by tribal members on ceded lands, outside of usual framework dates and season length, with some added flexibility in daily bag and possession limits.

In all cases, the regulations established under the guidelines must be consistent with the March 10 to September 1 closed season mandated by the 1916 Convention Between the United States and Great Britain (for Canada) for the Protection of Migratory Birds (Treaty). The guidelines apply to those Tribes having recognized reserved hunting rights on Federal Indian reservations (including off-reservation trust lands) and on ceded lands. They also apply to establishing migratory bird hunting regulations for nontribal hunters on all lands within the exterior boundaries of reservations where Tribes have full wildlife management authority over such hunting or where the Tribes and affected States otherwise have reached agreement over hunting by nontribal hunters on lands owned by non-Indians within the reservation.

Tribes usually have the authority to regulate migratory bird hunting by nonmembers on Indian-owned reservation lands, subject to Service
