

Memorandum items in accordance with the applicable instructions.

In addition, the agencies are providing guidance concerning the reporting of brokered certificates of deposit issued in \$1,000 amounts under a master certificate of deposit in the revised Schedule O items and in Schedule E of the FFIEC 002. For these so-called "retail brokered deposits," multiple purchases by individual depositors from an individual FDIC-insured branch normally do not exceed the applicable deposit insurance limit (either \$100,000 or \$250,000), but under current deposit insurance rules the deposit broker is not required to provide information routinely on these purchasers and their account ownership capacity to the insured branch issuing the deposits. For purposes of revised Schedule O, Memorandum item 1, multiple accounts of the same depositor should not be aggregated. Therefore, in the absence of information on account ownership capacity for retail brokered certificates of deposit in \$1,000 amounts, which are rebuttably presumed to be fully insured deposits, branches issuing these brokered deposits should include them in Schedule O, Memorandum item 1, as "Deposit accounts of \$100,000 or less." Furthermore, these brokered certificates of deposit in \$1,000 amounts should not be included in Schedule E, Memorandum item 1.a, "Time deposits of 100,000 or more," or Memorandum item 1.c, "Time certificates of deposit of \$100,000 or more with remaining maturity of more than 12 months."

2. The caption for Memorandum item 1 will be footnoted to state that the specific dollar amounts used as the basis for reporting the number and amount of deposit accounts in Memorandum items 1.a through 1.d reflect the deposit insurance limits in effect on the report date. This footnote will ensure that the dollar amount cited in the caption changes automatically as a function of the deposit insurance limit in effect on the report date. The instructions for this Memorandum item will be similarly clarified. For further details, see the Call Report Federal Register notices published on November 8, 2002, and March 4, 2003 (67 FR 68229 and 68 FR 10310, respectively).

3. Memorandum items 2.a and 2.b will be replaced and redefined as Memorandum item 2, "Estimated amount of uninsured deposits in the branch (excluding IBF)," and will be completed only by FDIC-insured branches with \$1 billion or more in total claims on nonrelated parties. For further details, see the Call Report Federal Register notices published on October

18, 2001, February 28, 2002, August 23, 2005, and February 17, 2006 (66 FR 52973, 67 FR 9355, 70 FR 49363, and 71 FR 8649, respectively).

Request for Comment

Comments are invited on:

a. Whether the information collection is necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

b. The accuracy of the agencies' estimates of the burden of the information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

Comments submitted in response to this notice will be shared among the agencies. All comments will become a matter of public record. Written comments should address the accuracy of the burden estimates and ways to minimize burden including the use of automated collection techniques or other forms of information technology as well as other relevant aspects of the information collection request.

Board of Governors of the Federal Reserve System, August 16, 2006.

Robert deV. Frierson,

Deputy Secretary of the Board.
