Federal Register

Vol. 71, No. 167

Tuesday, August 29, 2006

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

## DEPARTMENT OF AGRICULTURE

### Forest Service

#### Tehama County Resource Advisory Committee

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of meeting.

**SUMMARY:** The Tehama County Resource Advisory Committee (RAC) will meet in Red Bluff, California. Agenda items to be covered include: (1) Introductions, (2) Approval of Minutes, (3) Public Comment, (4) Revising a Meeting Schedule, (5) Status of the Final Expenditures, (6) Chairman's Perspective, (7) General Discussion, (8) Next Agenda.

**DATES:** The meeting will be held on September 14, 2006 from 9 a.m. and end at approximately 12 p.m.

**ADDRESSES:** The meeting will be held at the Lincoln Street School, Conference Room A, 1135 Lincoln Street, Red Bluff, CA. Individuals wishing to speak or propose agenda items must send their names and proposals to Tricia Christofferson, Acting DFO, 825 N. Humboldt Ave., Willows, CA 95988.

**FOR FURTHER INFORMATION CONTACT:** Bobbin Gaddini, Committee Coordinator, USDA, Mendocino National Forest, Grindstone Ranger District, P.O. Box 164, Elk Creek, CA 95939, (530) 968-5329; E-mail [ggaddini@fs.fed.us](mailto:ggaddini@fs.fed.us).

**SUPPLEMENTARY INFORMATION:** The meeting is open to the public. Committee discussion is limited to Forest Service staff and Committee members. However, persons who wish to bring matters to the attention of the Committee may file written statements with the Committee staff before or after the meeting. Public input sessions will be provided and individuals who made written requests by September 12, 2006 will have the opportunity to address the committee at those sessions.

Dated: August 23, 2006.

**Tricia Christofferson,**

*Acting Designated Federal Official.*

## DEPARTMENT OF COMMERCE

### Foreign-Trade Zones Board

[Docket 37-2006]

#### Foreign-Trade Zone 98 Birmingham, Alabama, Application for Subzone Status, NACCO Materials Handling Group, Inc., Plant (Forklift Truck Components), Sulligent, Alabama

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the City of Birmingham, grantee of FTZ 98, requesting special-purpose subzone status for the forklift truck components manufacturing facility of NACCO Materials Handling Group, Inc. (NMHG), located in Sulligent, Alabama. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on August 22, 2006.

The NMHG plant (68 acres/301,000 sq.ft.) is located in Lamar County on U.S. Highway 278 East, in Sulligent, Alabama, about 100 miles west of Birmingham. The facility (550 employees) is used to produce component parts, transmissions and drive axles for forklift trucks (Class I through Class V) powered by gasoline, propane, or electric motors. The manufacturing process at the facility involves machining, cutting, sawing, shearing, milling, welding, bending, and assembly with a total annual production value of approximately \$150 million at full capacity. Components purchased from abroad (up to 20% of finished forklift truck value) used in manufacturing include: parts of forklift trucks, engines, parts of engines, control panels, control centers, switchgear assemblies, distribution boards, printed circuits, torque converters, parts of transmissions, gears, bearing housings, electric motors, hydraulic pumps, crankshafts, camshafts, transmission shafts, relays, flywheels, pulleys, tubes/pipes, ignition parts, harnesses, catalytic converters, filters, heat exchangers,

hydraulic cylinders and related fluid power components, parts of valves and check appliances, fuel injection pumps, electromagnetic couplings/clutches/brakes, wire, electric conductors/converters, steering components, caps/lids, parts of pumps/compressors, starters, bearings, floor coverings, electrical connectors and related assemblies, wiring harnesses, fasteners, couplings/u-joints, chains, gaskets, generators, carbon brushes, transformers, rotors, stators, power supplies, converters, spark plugs, ignition coils and distributors, starter motors, relays, switches, horns, capacitors, resistors, fuses, controllers, circuit breakers and protectors, conductors, lamps/lighting equipment, wheel hubs, and parts of seats (duty rate range: free - 9.0%).

FTZ procedures would exempt NMHG from Customs duty payments on the foreign components used in export production. On its domestic sales and exports to NAFTA markets, the company would be able to choose the duty rate that applies to forklift truck components (duty free) for the foreign-sourced inputs noted above. The forklift truck duty rate (free) would apply if the finished components are shipped via zone-to-zone transfer to U.S. forklift truck assembly plants with subzone status. Duties would be deferred or reduced on foreign production equipment admitted to the proposed subzone until such time as it becomes operational. The application indicates that subzone status would help improve the facility's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 30, 2006. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 13, 2006.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations: U.S. Department of
