Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation by notice on March 9, 2006, based on a complaint filed by Roadmaster (USA) Corporation ("Roadmaster") of Eatontown, New Jersey. 71 FR 13,166 (March 14, 2006). The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain portable power stations and packaging therefor by reason of infringement of United States Design Patent No. D469,739; U.S. Trademark Registration No. 2,594,538; and Copyright Registration No. VA-1-261-495. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation names Sinochem Ningbo, Ltd., of Ningbo, China ("Sinochem"), as the only respondent.

On May 9, 2006, complainant Xerox Roadmaster moved pursuant to 19 U.S.C. 1337(g)(1) and Commission Rule 210.16 for an order (1) directing Sinochem to show cause why it should not be found in default for failing to respond to the complaint and notice of investigation, and (2) upon failure of the respondent to show such cause, for an initial determination ("ID") finding the respondent in default. The administrative law judge ("ALJ") issued an ID on July 12, 2006, finding Sinochem in default, because respondent did not reply to the complaint nor notice of investigation, and respondent did not reply to the show cause order issued by the ALJ on November 5, 2005. The Commission
