HUD Multifamily Rental Project and Health Care Facility Closing Documents; Status on Finalizing Closing Documents and Announcement of Meeting

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice; announcement of meeting.

SUMMARY: This notice responds to recent inquiries to the Department about the status of HUD's update of a comprehensive set of closing forms and documents for use in the Federal Housing Administration (FHA) multifamily rental project and health care facility (excluding hospitals) mortgage insurance programs. On August 2, 2004, HUD issued for review and public comment 36 proposed revised closing forms. The public comment period closed on October 1, 2004, and HUD received submissions from 25 commenters. This notice advises the housing industry and interested members of the public that these documents remain in development and are not ready for issuance.

Although the closing documents remain in development, HUD

understands the interest and concern of industry and other interested members of the public regarding the timetable for release of these documents in final form by HUD and the effective date of such forms. To address the interest and concerns regarding the status of development, this notice describes policy decisions that have been made on the closing documents, and the processes, which these documents must still undergo before final issuance. In addition to this notice, HUD will conduct a meeting, on Thursday, September 21, 2006, at HUD Headquarters, to address questions about the decisions that have been made and the processes that these documents must undergo before final issuance. HUD is inviting to this meeting, the 25 commenters, and, subject to room capacity limitations, other interested members of the public. HUD also will make phone lines available to expand the capacity of the members of the public that may participate in this meeting.

The purpose of this meeting is *not* for the purpose of reopening the public comment period on the closing documents. HUD will not accept new comments at the meeting, either orally or in writing, nor will HUD engage in a discussion of issues still under consideration. The purpose of the meeting is solely to brief the commenters and interested members of the public on the status of development of the revised closing forms. HUD believes that a briefing on the process of development of the forms will assist all interested parties in understanding the stages of review these forms must undergo prior to issuance. HUD intends to finalize and then implement the revised closing forms in calendar year 2007.

DATES: HUD will conduct the Closing Documents meeting on September 21, 2006.

ADDRESSES: The Closing Documents meeting will be held at 2 p.m. (Eastern

time) on September 21, 2006, at HUD Headquarters for which the address is the Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC.

Members of the public who are interested in attending this meeting in person or participating by phone should submit a request to HUD at the following e-mail address: FHAClosingDocsMeeting@hud.gov.

HUD will strive to honor requests on a first-come first-serve basis. However, HUD is also interested in ensuring that participation in this meeting, whether in person or by phone, reflects fair representation of the various sectors of the industry that will be affected by these closing documents. HUD therefore asks that parties submitting requests to participate in this meeting identify the basis for their interest in these closing documents.

Those who are confirmed to participate in this meeting, either in person or by phone, will receive additional information from HUD on how to participate in the meeting. Visitors attending the meeting will need to adhere to the security procedures of the HUD building.
