### Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated exporter/importer (or customer)-specific assessment rates for merchandise subject to this review. To determine whether the duty assessment rates were *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer (or customer)-specific *ad valorem* rates by aggregating the dumping margins calculated for all U.S. sales to that importer (or customer) and dividing this amount by the total value of the sales to that importer (or customer).

The Department clarified its “automatic assessment” regulation on May 6, 2003, (68 FR 23954). This clarification will apply to entries of subject merchandise during the period of review produced by companies included in these final results of review for which the reviewed companies did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of these amended final results of review.

### Cash Deposit Rates

The following antidumping duty deposits will be required on all shipments of stainless steel bar from Germany entered, or withdrawn from warehouse, for consumption, effective on or after the publication date of the amended final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed company will be the rate listed above (except no cash deposit will be required if a company’s weighted-average margin is *de minimis*, i.e., less than 0.5 percent); (2) for previously reviewed or

investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, the previous review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, the cash deposit rate will be 16.96 percent, the “all others” rate established in *Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Bar from Germany*, 67 FR 3159 (January 23, 2002) and *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Stainless Steel Bar from Germany*, 67 FR 10382 (March 7, 2002).

These cash deposit requirements shall remain in effect until publication of the final results of the next administrative review.

We are issuing and publishing these results and this notice in accordance with section 751(h) of the Act and 19 CFR 351.224(e).

Dated: August 28, 2006.

### International Trade Administration

[A-570-890]

#### Wooden Bedroom Furniture From The People’s Republic of China: Notice of Partial Rescission of New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On April 3, 2006, Senyuan Furniture Group (“Senyuan”) withdrew its request for a new shipper review of the antidumping duty order on wooden bedroom furniture (“WBF”) from the People’s Republic of China (“PRC”) covering the period June 24, 2004, through December 31, 2005.

Accordingly, because no other party requested a review for Senyuan, we are rescinding, pursuant to 19 CFR 351.214(f)(1), this new shipper review.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 31, 2006, the Department of Commerce (“the Department”) received a timely request for a new shipper review of the antidumping order on WBF from the PRC from Senyuan. On March 7, 2006, the Department initiated a new shipper review of shipments of WBF from the PRC produced and exported by Senyuan during the period of review. See *Wooden Bedroom Furniture from the People’s Republic of China: Initiation of New Shipper Reviews*, 71 FR 11404 (March 7, 2006). No other party requested a review of Senyuan for this time period. On April 3, 2006, Senyuan withdrew its request for a new shipper review.

##### Rescission of New Shipper Review

Pursuant to 19 CFR 351.214(f)(1), the Department may rescind a new shipper review, in whole or in part, if the party that requested the review withdraws its request no later than 60 days after the date of publication of the notice of initiation of the requested review. Senyuan withdrew its request for review within the 60-day time limit and no other party requested a review with respect to Senyuan. Accordingly, we are rescinding this new shipper review.

##### Notification

We will issue assessment instructions within 15 days of the date of the publication of this notice and, in accordance with 19 CFR 351.212(c), we will instruct U.S. Customs and Border Protection to assess antidumping duties at the cash deposit rate in effect at the time of entry for all shipments of WBF from the PRC produced and exported by Senyuan and entered, or withdrawn from warehouse, for consumption during the period June 24, 2004, through December 31, 2005.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries

during this review period. Failure to comply with this

requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice is published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4) of the Department's regulations.

Dated: August 25, 2006.

### National Oceanic and Atmospheric Administration

[Docket No. 051121306-6220-02; I.D. 082306D]

#### Announcement of Funding Opportunity for the Coastal and Estuarine Land Conservation Program

**AGENCY:** Office of Ocean and Coastal Resource Management (OCRM), the National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Announcement of Funding Opportunity for financial assistance for project grants.

**SUMMARY:** NOS/OCRM is soliciting coastal and estuarine land conservation acquisition projects from eligible coastal states. The Coastal and Estuarine Land Conservation Program (CELCP) was established "for the purpose of protecting important coastal and estuarine areas that have significant conservation, recreation, ecological, historical, or aesthetic values, or that are threatened by conversion from their natural or recreational state to other uses." This announcement solicits proposals for land acquisition projects, up to 3 years in duration, with the purpose of protecting important coastal and estuarine areas. Project proposals should reflect priorities identified in an approved state CELC plan or, if a state's plan has not been completed, by the state's approved coastal management program. Eligible coastal states may submit up to three project proposals with a requested funding level not to exceed \$3,000,000 per project.

**DATES:** Proposals must be received by the NOS/OCRM no later than 11:59 p.m. EST, October 27, 2006. The closing

deadline for applying through grants.gov is the same as for the paper submission noted in this announcement. Applicants are strongly recommended to allow sufficient time for delivery of materials, electronically or by mail, by the deadline.

**ADDRESSES:** The full funding opportunity announcement and application materials are available via the grants.gov web site: <http://www.grants.gov> (opportunity # NOS-OCRM-2008-2000828); via the CELCP website at [http://www.coastalmanagement.noaa.gov/land/celcp\\_fundingop.html](http://www.coastalmanagement.noaa.gov/land/celcp_fundingop.html); or by contacting the program officials identified below. Applicants must comply with all requirements contained in the full funding opportunity announcement.

Applications may be submitted electronically through grants.gov at the internet site: <http://www.grants.gov> or by mail to the address listed here. If submitting electronically, NOAA strongly recommends that you do not wait until the application deadline date to begin the application process through grants.gov. If submitting paper applications by mail, a signed original and 4 copies may be submitted to Attn: Elaine Vaudreuil, NOAA, Ocean and Coastal Resource Management, National Policy and Evaluation Division (N/ORM7), 1305 East-West Highway, SSMC4, 10th Floor Station 10657, Silver Spring, MD 20910.

**FOR FURTHER INFORMATION CONTACT:** CELCP Program Managers: Elaine Vaudreuil, OCRM, 301-713-3155 ext 103; via Internet: [Elaine.Vaudreuil@noaa.gov](mailto:Elaine.Vaudreuil@noaa.gov) or Elisabeth Morgan, OCRM, 301-713-3155 ext 166; via Internet at [Elisabeth.Morgan@noaa.gov](mailto:Elisabeth.Morgan@noaa.gov).

#### SUPPLEMENTARY INFORMATION:

##### Summary Description

The Coastal and Estuarine Land Conservation Program (CELCP) was established "for the purpose of protecting important coastal and estuarine areas that have significant conservation, recreation, ecological, historical, or aesthetic values, or that are threatened by conversion from their natural or recreational state to other uses." This announcement solicits proposals for land acquisition projects up to 3 years in duration with the purpose of protecting important coastal and estuarine areas.

Project proposals should be based upon a state's coastal and estuarine land acquisition priorities as outlined in approved state CELC plans or as part of an approved state coastal management

program. The state's designated lead agency for implementing the CELCP may solicit, and include in their application, project proposals from additional state agencies, or local governments as defined at 15 CFR 24.3, or entities eligible for assistance under Section 306A(e) of the CZMA (16 U.S.C. 1455a(e)), provided that each has the authority to acquire and manage land for conservation purposes. For this solicitation, the requirement that states must have an approved CELC plan in order to participate will be waived. Coastal states may select and submit up to three projects, with a maximum request of \$3,000,000 in Federal funding for each project.

Project proposals should identify and discuss the project's primary focus and in addition describe all other relevant conservation, recreation, ecological, historical, and aesthetic values, and discuss threats of conversion of the project from its natural or recreational state to other uses. The proposals should also detail how the project will be completed in a timely manner, existing and proposed uses of the property, and how the project site will be managed in the future for long-term qualifications.

The CELCP Guidelines published in the **Federal Register** on June 17, 2003, establish the eligibility, procedural and programmatic requirements for participation in the CELCP, including the criteria for financial assistance awards under the program. The guidelines outline the criteria and process for eligible coastal states to develop a state coastal and estuarine land conservation plan, nominate land conservation projects to a national competitive process, and for NOAA to select projects at the national level for funding. All applications submitted pursuant to this notice must be consistent with the requirements and guidelines implementing the CELCP published in the **Federal Register** (68 FR 35860-35869), on June 17, 2003, except that for this solicitation NOS waives the requirement for states to have an approved CELC plan. The Coastal and Estuarine Land Program Final Guidelines, June 2003 can be found at <http://www.coastalmanagement.noaa.gov/land/media/celcpfinal02guidelines.pdf>.

#### Funding Availability

Funding is dependent upon FY 2008 appropriations. Appropriations for the CELCP have ranged from \$37-\$50 million in fiscal years 2003-2006. It is anticipated that approximately 20-60 projects will be included on a competitively-ranked list of projects that
