FEDERAL MINE SAFETY AND HEALTH REVIEW COMMISSION

29 CFR Parts 2700, 2704, and 2705

Procedural Rules

AGENCY: Federal Mine Safety and Health Review Commission.

ACTION: Final rule; technical amendments.

SUMMARY: This document makes technical amendments to the Federal Mine Safety and Health Review Commission's procedural rules and regulations implementing the Equal Access to Justice Act and Privacy Act.

DATES: Effective October 3, 2006.

FOR FURTHER INFORMATION CONTACT: Thomas A. Stock, General Counsel, Office of the General Counsel, Federal Mine Safety and Health Review Commission, 601 New Jersey Avenue, NW., Suite 9500, Washington, DC 20001; telephone 202-434-9935; facsimile 202-434-9944.

SUPPLEMENTARY INFORMATION:

Background

On August 4, 2006, the Federal Mine Safety and Health Review Commission

published a final rule in the **Federal Register**, setting forth revisions to its procedural rules (29 CFR part 2700) and regulations implementing the Equal Access to Justice Act (“EAJA”) (29 CFR part 2704) and Privacy Act (29 CFR part 2705). 71 FR 44190. This rule in part makes technical amendments that conform with changes made in the August 4 publication. In the August 4 final rule, the Commission amended 29 CFR 2704.104 by removing paragraph (b)(2), which provided for the aggregation of assets or employees of affiliates of a prevailing party to determine eligibility for an EAJA award. 71 FR 44203, 44210. The Commission also in part redesignated paragraphs (b)(3) and (b)(4) of § 2704.104 as paragraphs (b)(2) and (b)(3). 71 FR 44210. In these technical amendments, the Commission is revising 29 CFR 2704.202(b) and (c) to remove references to former section 2704.104(b)(2), and to “affiliates” described in former § 2704.104(b)(2).

In addition, this technical amendment corrects errors made in publications of prior years. Specifically, the Commission is revising the reference to “§ 1700.5(d)” set forth in 29 CFR 2700.5(b) to correctly state a reference to “§ 2700.5(e).” The Commission is also revising 29 CFR 2704.106(a) to insert the word “or” so that the paragraph reads in part that “[a]wards will be based on rates customarily charged by persons engaged in the business of or acting as attorneys, agents and expert witnesses.” Further, the Commission is making three minor punctuation changes. First, the Commission is revising 29 CFR 2704.103(a)(3) by replacing the semi-colon at the end of the paragraph with a period. Second, the Commission is revising 29 CFR 2704.104(b)(1) by replacing the semi-colon at the end of the paragraph with a period. Third, the Commission is revising 29 CFR 2705.2(c) by replacing the period at the end of the paragraph with a semi-colon. Finally, the Commission is replacing the term “system or records” in 29 CFR 2705.2(d) with “system of records.” All of the changes in this technical amendment are non-substantive.

Coast Guard

33 CFR Part 100

[CGD05-06-066]

RIN 1625-AA08

Special Local Regulations for Marine Events; Sunset Lake, Wildwood Crest, NJ

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing permanent special local regulations during the “Sunset Lake Hydrofest”, a marine event to be held annually on the last weekend in September or the first weekend in October on the waters of Sunset Lake, Wildwood Crest, New Jersey. For 2006 this marine event will be held on September 30 and October 1, 2006. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in portions of Sunset Lake during the event.

DATES: This rule is effective September 20, 2006. In 2006 this rule will be enforced from 8:30 a.m. on September 30, 2006 to 5:30 p.m. on October 1, 2006. For subsequent years this rule will be enforced annually from 8:30 a.m. to 5:30 p.m. on the last weekend in September or the first weekend in October.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket (CGD05-06-066) and are available for inspection or copying at Commander (dpi), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On July 13, 2006, we published a notice of proposed rulemaking (NPRM) entitled Special Local Regulations for Marine Events; Sunset Lake, Wildwood Crest, NJ in the **Federal Register** (71 FR 39609). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, support craft and other vessels transiting the event area. However, advance notifications will be made to affected waterway users via marine information broadcasts and area newspapers.

Background and Purpose

Annually, the Sunset Lake Hydrofest Association sponsors the “Sunset Lake Hydrofest”, on the waters of Sunset Lake near Wildwood Crest, New Jersey. The event consists of approximately 100 inboard hydroplanes, Jersey speed skiffs and flat-bottom ski boats racing in heats counter-clockwise around an oval racecourse. A fleet of approximately 100 spectator vessels is anticipated to gather nearby to view the competition. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels.

Discussion of Comments and Changes

The Coast Guard did not receive comments in response to the Notice of proposed rulemaking (NPRM) published in the **Federal Register**. Accordingly, the Coast Guard is establishing permanent special local regulations on the specified waters of Sunset Lake, Wildwood Crest, New Jersey.

Regulatory Evaluation

This rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under the

regulatory policies and procedures of DHS is unnecessary.

Although this permanent rule will prevent traffic from transiting a portion of Sunset Lake during the event, the effect of this regulation would not be significant due to the limited duration that the regulated area will be in effect. Extensive advance notifications will be made to the maritime community via Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly. Additionally, the regulated area has been narrowly tailored to impose the least impact on general navigation yet provide the level of safety deemed necessary. Vessel traffic will be able to transit Sunset Lake by navigating around the regulated area.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Sunset Lake during the event.

This rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This rule would be in effect for only a limited period. Vessel traffic could pass safely around the regulated area. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman
