Based on the representations made in the NYSE proposal, the Commission believes that pricing and other important information about the Fund is adequate and consistent with the Act.

D. Listing and Trading

The Commission finds that adequate rules and procedures exist to govern the listing and trading of the Funds' shares. Fund shares will be deemed equity securities subject to NYSE rules governing the trading of equity securities, including, among others, rules governing trading halts, responsibilities of the specialist, account opening and customer suitability requirements, and the election of stop and stop limit orders. In addition, the Exchange states that iShares are subject to the criteria for initial and continued listing of ICUs in Section 703.16 of the NYSE Manual.

E. Surveillance

The Exchange represents that its surveillance procedures are adequate to properly monitor the trading of the Funds. The Exchange states that it is able to obtain trading information from ISG from other exchanges that are members or affiliates of the ISG.

F. Accelerated Approval

The Commission finds good cause, pursuant to section 19(b)(2) of the Act,²⁷ for approving the proposed rule change prior to the thirtieth day after the date of publication of notice in the **Federal Register**. The Commission notes that the proposal is consistent with the listing and trading standards in NYSE Rule 703.16 (ICUs), and the Commission has previously approved similar products based on foreign indices.²⁸ The Funds are substantially identical in structure to other iShares Funds based on foreign stock indexes, including the iShares S&P Global 1200 Index Fund, which has an established and active trading history on the NYSE and other exchanges.²⁹ The Commission does not believe that the proposed rule change, as amended, raises novel regulatory issues. Consequently, the Commission believes that it is appropriate to permit investors to benefit from the flexibility afforded

by trading these products as soon as possible.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act, that the proposed rule change (SR-NYSE-2006-60) is hereby approved on an accelerated basis.³⁰

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³¹

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Order Granting Accelerated Approval to Amendment No. 4 to a Proposed Rule Change Relating to the Exchange's Schedule of Fees and Charges

September 12, 2006.

I. Introduction

On May 17, 2006, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² the proposed rule change to amend the Trade Related Charges portion of its Schedule of Fees and Charges ("Schedule"). On May 26, 2006, the Exchange filed Amendment No. 1 to the proposed rule change. On June 30, 2006, the Exchange filed Amendment No. 2 to the proposed rule change. On July 7, 2006, the Exchange filed Amendment No. 3 to the proposed rule change.³ The proposed rule change, as amended, was published for comment in the **Federal Register** on July 20, 2006.⁴ Two comment letters were submitted in connection with this filing.⁵

² 17 CFR 240.19b-4.

⁴ See Securities Exchange Act Release No. 54130 (July 11, 2006), 71 FR 41305.

⁵ See letter from Arthur J. Gross, Arthur J. Gross SP, dated August 9, 2006, and letter from Gennaro J. Lettera, dated August 9, 2006. The Exchange believes that these commenters intended to address a separate proposed rule change, SR-NYSE-2006-

On August 31, 2006, the Exchange filed Amendment No. 4.⁶ This order grants accelerated approval of Amendment No. 4, and solicits comments from interested persons on Amendment No. 4.

I. Description of the Proposal

A. Fees for Manually Executed Linkage Orders

NYSE Arca proposes to combine two existing fees associated with certain Linkage Orders.⁷ Presently, the Exchange assesses on Linkage Orders a \$0.21 transaction fee and a \$0.05 comparison fee.⁸ To simplify the Schedule, the Exchange proposes combining these fees into one transaction fee of \$0.26 for Linkage Orders executed manually. This fee is equal to the fee for manually executed orders from broker-dealers.

B. Fees for Electronically Executed Linkage Orders

Under the current NYSE Arca Schedule, electronically executed orders from broker-dealers are charged \$0.50 per contract ("BD Electronic Transaction Fee"). The BD Electronic Transaction Fee was recently revised to combine a previously assessed transaction fee of \$0.26 and a BD Surcharge of \$0.25.⁹ The current \$0.50 BD Electronic Transaction Fee represents a \$0.01 reduction in the total fee for electronic executions of orders from broker-dealers. In Amendment No. 4, the Exchange proposes to modify its Schedule to make clear that

46, not the instant proposed rule change. See e-mail from Janet Angstadt, Acting General Counsel, NYSE Arca, to Timothy Fox, Special Counsel, Division of Market Regulation, Commission, dated August 16, 2006. The Commission believes that the commenters' concerns do not relate to the instant proposed rule change and, as such, these letters are not addressed in this order.

⁶ Amendment No. 4 was filed to reconcile the original filing, as amended, with the subsequent immediately effective rule filing, as discussed *infra* note 9 and accompanying text. Amendment No. 4 replaces and supersedes the original filing and subsequent amendments in their entirety.

⁷ "Linkage Orders" are immediate or cancel orders containing certain information that are routed through the Intermarket Linkage System ("Linkage"). See Section 2(16) of the Plan for the Purpose of Creating and Operating an Intermarket Option Linkage ("Linkage Plan"). As used in this approval order, the term, "Linkage Orders," refers only to Principal Acting as Agent Orders and Principal Orders. See Sections 2(16)(a) and 2(16)(b) of the Linkage Plan.

⁸ These fees are applicable through an Exchange Pilot Program due to expire on July 31, 2007. See Securities Exchange Act Release No. 54230 (July 27, 2006), 71 FR 44757 (August 7, 2006) (SR-NYSEArca-2006-41).

⁹ See Securities Exchange Act Release No. 54309 (August 11, 2006), 71 FR 48571 (August 21, 2006) (SR-NYSEArca-2006-25).

electronically executed Linkage Orders also will be charged \$0.50 per contract.

The Exchange acknowledges that the Exchange's previous version of its Schedule did not reflect that the BD Surcharge was imposed on electronically executed Linkage Orders.¹⁰ In Amendment No. 4, the Exchange proposes to modify the Schedule to make clear that the BD Surcharge will be included as a component of the \$0.50 fee assessed for electronically executed Linkage Orders.

III. Discussion and Commission Findings

The Commission has reviewed carefully the proposed rule change, as amended, and finds that it is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹¹ In particular, the Commission believes that the proposal is consistent with Section 6(b)(4) of the Act,¹² which requires that the rules of an exchange provide an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. Under the current NYSE Arca Schedule, manually executed BD orders are charged \$0.26 per contract and electronically executed orders from broker-dealers are charged \$0.50 per contract. The Exchange proposed that manually executed Linkage Orders be charged \$0.26 per contract and electronically executed Linkage Orders be charged \$0.50 per contract. Accordingly, the Commission believes that the Exchange's proposed Schedule clearly sets forth the fees imposed on Linkage Orders.

As discussed above, the Exchange acknowledges, in Amendment No. 4, that prior versions of its Schedule did not represent that the \$0.25 BD Surcharge was applied to electronically executed Linkage Orders. Because the Exchange assessed the BD Surcharge on Linkage Orders prior to this approval and, therefore, without authority, parties assessed the BD Surcharge for Linkage Orders prior to the approval of this proposed rule change may seek reimbursement.

The Commission finds good cause for approving proposed Amendment No. 4 before the 30th day after the date of publication of notice of filing thereof in the **Federal Register** pursuant to Section

19(b)(2) of the Act.¹³ The Exchange filed Amendment No. 4 to reconcile the proposed rules in the original filing, as amended, with the Exchange's current rules, which reflect an immediately effective proposed rule change filed after this proposed rule change was published for comment.¹⁴ The Commission believes that in Amendment No. 4, the Exchange proposes no significant changes to the fees proposed in the original filing. Therefore, the Commission finds good cause exists to accelerate approval of Amendment No. 4, pursuant to Section 19(b)(2) of the Act.¹⁵
