Department of Commerce Implementation of OMB Guidance on Nonprocurement Debarment and Suspension

AGENCY: Department of Commerce.

ACTION: Proposed rule.

SUMMARY: The Department of Commerce (Department) proposes to remove its regulations implementing the government-wide common rule on nonprocurement debarment and suspension, currently codified at Title 15, and to adopt the Office of Management and Budget's (OMB) guidance at Title 2 of the Code of Federal Regulations (CFR) published in the **Federal Register** on August 31, 2005. This proposed regulatory action would implement the OMB's initiative to streamline and consolidate all federal regulations on nonprocurement debarment and suspension into one part of the CFR. The Department does not intend to modify any of its current policy.

DATES: Submit comments on the proposed regulatory action by October 23, 2006.

ADDRESSES: Comments on this proposed action should be sent to Gary Johnson, U.S. Department of Commerce, Room H-6054, 14th & Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 31, 2005, the Office of Management and Budget (OMB) issued an interim final guidance that

implemented its Guidance for Governmentwide Debarment and Suspension (Nonprocurement), codified in Part 180 of title 2 of the Code of Federal Regulations (70 FR 51862, August 31, 2005). In addition to restating and updating its guidance on nonprocurement debarment and suspension, the interim final guidance requires all federal agencies to adopt a new approach to Federal agency implementation of the guidance. OMB requires each agency to issue a brief rule that: (1) Adopts the guidance, giving it regulatory effect for that agency's activities; and (2) states any agency-specific additions, clarifications, and exceptions to the government-wide policies and procedures contained in the guidance. That guidance also requires agencies to implement the OMB guidance by February 28, 2007.

Pursuant to the requirements in OMB's interim final guidance, the Department of Commerce (Department) proposes to:

(1) Remove 15 CFR Part 26; (2) replace the Department's part containing the full text of the debarment and suspension common rule with a brief part implementing OMB's guidance and any provisions specific to the Department; (3) co-locate the Department's part with OMB's guidance in 2 CFR along with other agencies' regulations in that title; and (4) revise references in 15 CFR Part 14 with the citation to the Department's regulations located in Title 2, Part 1326.

This proposed regulatory action would implement the OMB's initiative to streamline and consolidate all federal regulations on nonprocurement debarment and suspension into one part of the CFR, and does not intend to modify any of the Department's current policy.

Invitation to Comment

We intend the proposed new part in 2 CFR to adopt the OMB guidelines with the same additions and clarifications we made to the common rule on nonprocurement debarment and suspension in the **Federal Register** publication of November 26, 2003 (68 FR 66575). We invite comments on the provisions contained in the common rule as well as any aspect of this proposed rulemaking.

Executive Order 12866

This proposed regulatory action has been determined to be not significant for purposes of E.O. 12866.

Regulatory Flexibility Act of 1980 (5 U.S.C. 605(b))

The Chief Counsel for Regulation at the Department of Commerce certified to the Chief Counsel for Advocacy at the Small Business Administration that this rule, if adopted, would not have a significant economic impact on a substantial number of small entities. This action would merely remove the DOC's current policy and provisions related to the debarment and suspension common rule and replace it with a brief part adopting OMB's guidance and implementing any provisions specific to the Department. In addition, it would co-locate the Department's regulations with OMB's guidance in 2 CFR along with other agencies' rules in that title. These revisions are purely administrative in nature and do not modify the Department's current policy. Because these changes are not substantive, the Chief Counsel for Regulation certified that this action would not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Act of 1995 (Sec. 202, Pub. L. 104-4)

This proposed regulatory action does not contain a Federal mandate that will result in the expenditure by State, local, and tribal governments, in aggregate, or by the private sector of \$100 million or more in any one year.

Paperwork Reduction Act of 1995 (44 U.S.C., Chapter 35)

This regulatory action will not impose any additional reporting or recordkeeping requirements under the Paperwork Reduction Act. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the Paperwork Reduction Act unless that collection displays a currently valid OMB Control Number.

Federalism (Executive Order 13132)

This proposed regulatory action does not have Federalism implications, as set forth in Executive Order 13132. It will

not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government.
