Applicant: California Department of Parks and Recreation, Mendocino, California

The applicant requests a permit to take (harm, harass) the Point Arena mountain beaver (*Aplodontia rufa nigra*) and the Behren's silverspot butterfly (*Speyeria zerene behrensii*) in conjunction with habitat restoration activities in Mendocino County, California, for the purpose of enhancing their survival.

We solicit public review and comment on each of these recovery permit applications. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home addresses from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment, but you should be aware that we may be required to disclose your name and address pursuant to the Freedom of Information Act. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety. Comments and materials received will be available for public inspection, by appointment, during normal business hours at the above address.
