COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Limitations of Duty- and Quota-Free Imports of Apparel Articles Assembled in Beneficiary ATPDEA Countries from Regional Country Fabric

September 21, 2006.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Publishing the New Cap on Duty and Quota Free Benefits

EFFECTIVE DATE: October 1, 2006.

FOR FURTHER INFORMATION CONTACT: Richard Stetson, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUPPLEMENTARY INFORMATION:

Authority: Section 3103 of the Trade Act of 2002; Presidential Proclamation 7616 of October 31, 2002 (67 FR 67283).

Section 3103 of the Trade Act of 2002 amended the Andean Trade Preference Act (ATPA) to provide for duty and quota-free treatment for certain textile and apparel articles imported from designated Andean Trade Promotion and Drug Eradication Act (ATPDEA)

beneficiary countries. Section 204(b)(3)(B)(iii) of the amended ATPA provides duty- and quota-free treatment for certain apparel articles assembled in ATPDEA beneficiary countries from regional fabric and components. More specifically, this provision applies to apparel articles sewn or otherwise assembled in one or more ATPDEA beneficiary countries from fabrics or from fabric components formed or from components knit-to-shape, in one or more ATPDEA beneficiary countries, from yarns wholly formed in the United States or one or more ATPDEA beneficiary countries (including fabrics not formed from yarns, if such fabrics are classifiable under heading 5602 and 5603 of the Harmonized Tariff Schedule (HTS) and are formed in one or more ATPDEA beneficiary countries). Such apparel articles may also contain certain other eligible fabrics, fabric components, or components knit-to-shape.

For the period beginning on October 1, 2006 and extending through December 31, 2006, preferential tariff treatment is limited under the regional fabric provision to imports of qualifying apparel articles in an amount not to exceed 5 percent of the aggregate square meter equivalents of all apparel articles imported into the United States in the preceding 12-month period for which data are available. For the purpose of this notice, the 12-month period for which data are available is the 12-month period that ended July 31, 2006. In Presidential Proclamation 7616, (published in the **Federal Register** on November 5, 2002, 67 FR 67283), the President directed CITA to publish in the **Federal Register** the aggregate quantity of imports allowed during each period.

For the period beginning on October 1, 2006 and extending through December 31, 2006, the aggregate quantity of imports eligible for preferential treatment under the regional fabric provision is 1,164,288,418 square meters equivalent. Apparel articles entered in excess of this quantity will be subject to otherwise applicable tariffs.

This quantity is calculated using the aggregate square meter equivalents of all apparel articles imported into the United States, derived from the set of Harmonized System lines listed in the Annex to the World Trade Organization Agreement on Textiles and Clothing (ATC), and the conversion factors for units of measure into square meter

equivalents used by the United States in implementing the ATC.

Acting Chairman, Committee for the Implementation of Textile Agreements.

BILLING CODE 3510-DS

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Determination under the Textile and Apparel Commercial Availability Provision of the Dominican Republic-Central America-United States Free Trade Agreement (CAFTA-DR Agreement)

September 20, 2006.

AGENCY: The Committee for the Implementation of Textile Agreements (CITA)

ACTION: Determination to add a product in unrestricted quantities to Annex 3.25 of the CAFTA-DR Agreement

EFFECTIVE DATE: September 26, 2006.

SUMMARY: The Committee for the Implementation of Textile Agreements (CITA) has determined that certain 2-way stretch woven fabrics, as specified below, are not available in commercial quantities in a timely manner in the CAFTA-DR region. The product will be added to the list in Annex 3.25 of the CAFTA-DR in unrestricted quantities.

FOR FURTHER INFORMATION CONTACT: Richard Stetson, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482 2582.

FOR FURTHER INFORMATION ONLINE:

<http://web.ita.doc.gov/tacgi/CaftaReqTrack.nsf>. Reference number: 15.2006.08.17.Fabric.ST&RforLido

SUPPLEMENTARY INFORMATION:

Authority: Section 203(o)(4) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (CAFTA-DR Act); the Statement of Administrative Action (SAA), accompanying the CAFTA-DR Act; Presidential Proclamations 7987 (February 28, 2006) and 7996 (March 31, 2006).

BACKGROUND:

The CAFTA-DR Agreement provides a list in Annex 3.25 for fabrics, yarns, and fibers that the Parties to the CAFTA-DR Agreement have determined are not available in commercial quantities in a timely manner in the territory of any Party. Articles that otherwise meet the rule of origin to qualify for preferential treatment are not disqualified because

they contain one of the products on the Annex 3.25 list.

The CAFTA-DR Agreement provides that the list in Annex 3.25 may be modified pursuant to Article 3.25(4)-(6). The CAFTA-DR Act states that the President will make a determination on whether additional fabrics, yarns, and fibers are available in commercial quantities in a timely manner in the territory of any Party. The CAFTA-DR Act requires the President to establish procedures governing the submission of a request and to provide an opportunity for interested entities to submit comments and supporting evidence before making a determination. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of CAFTA-DR Act for modifying the Annex 3.25 list. On February 23, 2006, CITA published interim procedures it would follow in considering requests to modify the Annex 3.25 list (71 FR 9315).

On August 17, 2006, the Chairman of CITA received a request from Sandler, Travis, & Rosenberg, P.A. on behalf of Lido Industrias for certain 2-way stretch woven fabrics, of the specifications detailed below. On August 21, 2006, CITA notified interested parties of, and posted on its Web site, the accepted petition and requested that interested entities provide, by August 31, 2006, a response advising of its objection to the request or its ability to supply the subject product, and rebuttals to responses by September 7, 2006.

No interested entity filed a response advising of its objection to the request or its ability to supply the subject product.

In accordance with Section 203(o)(4) of the CAFTA-DR Act, and its procedures, as no interested entity submitted a response objecting to the request or expressing an ability to supply the subject product, CITA has determined to add the specified fabrics to the list in Annex 3.25.

The subject fabrics are added to the list in Annex 3.25 of the CAFTA-DR Agreement in unrestricted quantities. A revised list has been published at: <http://web.ita.doc.gov/tacgi/CaftaReqTrack.nsf/Annex3.25>.
