

payment accepting firms with whom a specialist has negotiated a payment for order flow arrangement. SPDR Options are currently subject to a \$1.00 per contract fee. The Amex states that this fee solely applies to those orders that are executed electronically through the Exchange's ANTE system.

The Exchange now proposes to allow SROTs to negotiate such an arrangement from any affiliated OFPs from which they receive the guaranteed SROT allocation. Payment collected on SROT trades would be set aside for that particular SROT. In addition, fees would be collected from any SROT, specialist, or ROT who participates in the trade.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁸ in general, and furthers the objectives of section 6(b)(4) of the Act,⁹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among Amex members and other persons using Amex facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder, because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for

the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54478; File No. SR-NASDAQ-2006-016]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Order Granting Approval of Proposed Rule Change To Eliminate Registration of Foreign Associates Under Nasdaq Membership Rules

September 21, 2006.

On July 21, 2006, The NASDAQ Stock Market LLC ("Nasdaq") submitted to the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to eliminate the requirement for foreign associates to register with Nasdaq. The proposed rule change was published for comment in the **Federal Register** on August 15, 2006.³ The Commission received no comments on the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange.⁴ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁵ which requires, among other things, that the rules of the Exchange are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

³ Securities Exchange Act Release No. 54284 (August 8, 2006), 71 FR 46954.

⁴ In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹¹ 17 CFR 240.19b-4(f)(2).

Nasdaq proposes to eliminate the foreign associate registration category under Nasdaq Rule 1100 and add an exemption to Nasdaq Rule 1060 for persons formerly covered by this registration category. Pursuant to Nasdaq's definition of a foreign associate, these associated persons would not be conducting any securities activities on the Nasdaq market. The Commission notes that NASD Rule 1100 requires foreign associates of NASD members to register with NASD. The Commission believes that, because many Nasdaq members are also members of NASD, requiring Nasdaq members to register its foreign associates with both self-regulatory organizations is duplicative.⁶

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-NASDAQ-2006-016) be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Assistant Secretary.
