

BMW further states that the vehicles are equipped with passenger air bag telltale lamps, and therefore the owners will know from these lamps that the vehicles are equipped with an advanced air bag system.

BMW also says,

* * * [T]he Owners Manual of the affected vehicles contains a description of the advanced air bag system including a description of the passenger air bag system telltale lamp. Owners who consult the Owners Manual will be able to read a description of the advanced air bag system along with a description of the passenger air bag system telltale lamp. Therefore, owners will know from their Owners Manual that their vehicle is equipped with a FMVSS 208 advanced air bag system.

BMW states that it has no record that customers contacted the company with inquiries, complaints, or comments on the air bag warning labels.
