**POLICY JUSTIFICATION****Colombia - UH-60L BLACK HAWK HELICOPTERS**

The Government of Colombia has requested a possible sale of 15 UH-60L BLACK HAWK helicopters with engines, spare and repair parts, tools and support equipment, publications and technical data, personnel training and training equipment, U.S. Government and contractor technical assistance and other related elements of logistics support. The estimated cost is \$303 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country that has been and continues to be an important partner in the war on drugs.

Colombia needs these helicopters to fulfill its strategic commitments within the region, for its self-defense and to continue its counter narco-terrorist mission. These helicopters will be used continue Colombia's unified campaign against narcotics trafficking and terrorist organizations. The proposed sale will upgrade its anti-personnel and day/night mission capability, provide for the defense of vital installations, and provide close air support for ground forces. Colombia, which already has UH-60 model helicopters in its inventory, will have no difficulty absorbing these additional aircraft.

The proposed sale of this equipment and support will not affect the basic military balance in the region.

The principal contractors will be: Sikorsky Aircraft Corporation of Stratford, Connecticut and General Electric of Lynn, Massachusetts. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government and contractor representatives to Colombia.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

**Transmittal No. 06-65****Notice of Proposed Issuance of Letter of Offer  
Pursuant to Section 36(b)(1)  
of the Arms Export Control Act****Annex  
Item No. vii****(vii) Sensitivity of Technology:**

1. The UH-60L BLACK HAWK helicopters contain communications and identification equipment, navigation equipment, aircraft survivability equipment, displays and sensors. The airframe itself does not contain sensitive technology. The highest levels of classified information required to be released for training, operation and maintenance of the BLACK HAWK helicopters is Unclassified. The highest level that could be revealed through reverse engineering or testing of the end item is Secret.

2. The UH-60L BLACK HAWK helicopters will include the following pertinent equipment listed below, either installed on the aircraft or included in the sale:

a. The Hover InfraRed (IR) Suppression System (HIRSS) and Improved HIRSS and Forward Looking Infrared (FLIR) systems are Unclassified. The FLIR is optional.
