

- Send an original and two copies of your comments to: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First St., NE., Room 1A, Washington, DC 20426;
- Reference Docket No. CP06-275-000;
- Label one copy of the comments for the attention of the Gas Branch 1, PJ-11.1; and
- Mail your comments so that they will be received in Washington, DC on or before October 30, 2006.

Please note that the Commission strongly encourages electronic filing of any comments or interventions or protests to this proceeding. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link and the link to the User's Guide. Before you can file comments you will need to create an account which can be created on-line.

Comments will be considered by the Commission but will not serve to make the commentor a party to the proceeding. Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules of Practice and Procedures (18 CFR 385.214).¹ Only intervenors have the right to seek rehearing of the Commission's decision.

Affected landowners and parties with environmental concerns may be granted intervenor status upon showing good cause by stating that they have a clear and direct interest in this proceeding which would not be adequately represented by any other parties. You do not need intervenor status to have your comments considered.

Additional information about the project is available from the Commission's Office of External Affairs, at 1-866-208-FERC or on the FERC Internet Web site (<http://www.ferc.gov>) using the eLibrary link. Click on the eLibrary link, click on "General Search" and enter the docket number excluding the last three digits in the Docket Number field. Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov or toll free at 1-866-208-3676, or for TTY, contact (202) 502-8659. The eLibrary link also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission now offers a free service called eSubscription

which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries and direct links to the documents. DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. AD06-11-000]

Transparency Provisions of the Energy Policy Act of 2005; Second Notice of Technical Conference

September 29, 2006.

On September 5, 2006, the Federal Energy Regulatory Commission (Commission) announced that a conference will be held in the above-referenced proceeding on October 13, 2006, at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426 in the Commission Meeting Room from 9:30 a.m. until 3 p.m. (EDT). The Chairman and Commissioners are expected to attend.

All interested persons are invited to attend. There is *no* registration fee to attend.

Sections 316 and 1281 of the Energy Policy Act of 2005,¹ respectively, added section 23 to the Natural Gas Act² and section 220 to the Federal Power Act.³ These sections provide that the Commission may act to facilitate price transparency in wholesale natural gas and electricity markets, and authorize the Commission to adopt such rules as may be necessary to assure the timely dissemination of information about the availability and prices of natural gas and electric energy and transmission service in such markets.

There will be two panels. The morning panel will focus on natural gas and the afternoon panel will focus on electric energy.

The morning panel (9:30 to 11:30 a.m.), in particular, will focus on facilitating price transparency in markets for the sale or transportation of

physical natural gas in interstate commerce. Panelists should be prepared to address the following:

1. What specific information about the availability and prices of natural gas sold at wholesale and in interstate commerce is not available today but should be? Why?

2. How could that information be disseminated?

3. How does either the Commission's historical natural gas jurisdiction or EAct 2005 give the Commission the authority to collect or disseminate that information or have it collected or disseminated?

4. In the context of its prior efforts, what more (if anything) should the Commission do with respect to the development or publication of natural gas price indices?

The afternoon panel (1 to 3 p.m.), in particular, will focus on facilitating price transparency in markets for the sale and transmission of electric energy in interstate commerce. Panelists should be prepared to address the following:

1. What specific information about the availability and prices of wholesale electric energy and transmission service is not available today but should be? Why?

2. How could that information be disseminated?

3. How does either the Commission's historical electric energy jurisdiction or EAct 2005 give the Commission the authority to collect or disseminate that information or have it collected or disseminated?

4. In the context of its prior efforts, what more (if anything) should the Commission do with regard to the development or publication of electric price indices?

Prospective panelists are invited to contact Saida Shaalan, by e-mail at Saida.Shaalan@FERC.gov, by Wednesday, October 4, 2006.

Prospective attendees and participants are urged to watch for a further notice, which will identify the panelists.

As previously announced, a free Webcast of this event will be available through <http://www.ferc.gov>. Anyone with Internet access who desires to view this event can do so by navigating to <http://www.ferc.gov>'s Calendar of Events and locating this event in the Calendar. The event will contain a link to its Webcast. The Capitol Connection provides technical support for the Webcasts and offers access to the meeting via phone bridge for a fee. If you have any questions, visit <http://www.CapitolConnection.org> or contact Danelle Perkowski or David Reiningger at 703-993-3100.

¹ Interventions may also be filed electronically via the Internet in lieu of paper. See the previous discussion on filing comments electronically.

¹ Energy Policy Act of 2005, §§ 316 and 1281, Pub. L. No. 109-59, 119 Stat. 594, 691-92 and 978-79 (2005).

² 15 U.S.C. 717t-2 (2005).

³ 16 U.S.C. 824t (2005).

Transcripts of the meeting will be available immediately for a fee from Ace Reporting Company (202-347-3700 or 1-800-336-6646). They will be available for free on the Commission's eLibrary system and on the events calendar approximately one week after the meeting.

FERC conferences and meetings are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll free (866) 208-3372 (voice) or 202-502-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.

Questions about the conference should be directed to Saida Shaalan, by e-mail at Saida.Shaalan@FERC.gov or by phone at 202-502-8278.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-8228-8]

Access to Confidential Business Information by ASRC Management Services

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of access to data and request for comments.

SUMMARY: EPA will authorize its contractor, ASRC Management Services (ASRCMS) to access Confidential Business Information (CBI) which has been submitted to EPA under the authority of all sections of the Resource Conservation and Recovery Act (RCRA) of 1976, as amended. EPA has issued regulations (40 CFR part 2, Subpart B) that outline business confidentiality provisions for the Agency and require all EPA Offices that receive information designated by the submitter as CBI to abide by these provisions. ASRCMS will provide support to the Office of Solid Waste (OSW) in operating the RCRA CBI Center (CBIC), a secure storage area that contains all records/documents that are received by OSW with a claim of business confidentiality.

DATES: Access to confidential data submitted to EPA will occur no sooner than October 16, 2006.

ADDRESSES: Comments should be sent to LaShan Haynes, Document Control Officer, Office of Solid Waste (5305P), U.S. Environmental Protection Agency,

1200 Pennsylvania Avenue, NW., Washington, DC 20460. Comments should be Identified as "Access to Confidential Data."

FOR FURTHER INFORMATION CONTACT: LaShan Haynes, Document Control Officer, Office of Solid Waste (5305P), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460, 703-605-0516.

SUPPLEMENTARY INFORMATION:

1. Access to Confidential Business Information

Under EPA Contract No. EP-W-05 052, ASRCMS will assist the Information Management Branch, within the Communications, Information, and Resources Management Division, of the Office of Solid Waste (OSW) in operating the RCRA Confidential Business Information Center (CBIC). OSW collects data from industry to support the RCRA hazardous waste regulatory program. Some of the data collected from industry are claimed by industry to contain trade secrets or CBI. In accordance with the provisions of 40 CFR part 2, Subpart B, OSW has established policies and procedures for handling information collected from industry, under the authority of RCRA, including RCRA Confidential Business Information Security Manuals. ASRCMS shall protect from unauthorized disclosure all information designated as confidential and shall abide by all RCRA CBI requirements, including procedures outlined in the RCRA CBI Security Manual. ASRCMS will also provide data base management support to the RCRA CBIC document tracking system.

The U.S. Environmental Protection Agency has issued regulations (40 CFR part 2, subpart B) that outline business confidentiality provisions for the Agency and requires all EPA Office that receive information designated by the submitter as CBI to abide by these provisions. ASRCMS will be authorized to have access to RCRA CBI under the EPA "Contractor Requirements for the Control and Security of RCRA Confidential Business Information Security Manual."

EPA is issuing this notice to inform all submitters of information under all sections of RCRA that EPA will provide ASRCMS access to the CBI records located in the RCRA CBIC. Access to RCRA CBI under this contract will take place at EPA Headquarters only. Contractor personnel will be required to sign non-disclosure agreements and will be briefed on appropriate security

procedures before they are permitted access to confidential information.

Dated: August 18, 2006.

Matthew Hale,

Director, Office of Solid Waste.
