[AAG/A Order No. 016-2006]

Privacy Act of 1974; Systems of Records

AGENCY: United States Trustee Program, Department of Justice.

ACTION: Notice of modifications to current systems of records and establishment of a new system of records.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a) and Office of Management and Budget Circular No. A-130, the United States Trustee Program (USTP), Department of Justice, proposes to modify the following existing Privacy Act systems of records:

March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403); JUSTICE/UST-003, "U.S. Trustee Program Timekeeping Records" (last substantively revised on March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403); and JUSTICE/UST-004, "U.S. Trustee Program Case Referral System" (last substantively revised on March 4, 2004, at 69 FR 10255; as amended June 15, 2004, 69 FR 33403). In addition, the USTP proposes to establish a new system of records entitled, JUSTICE/UST-005, "Credit Counseling and Debtor Education Files and Associated Records." The modified system notices and the new system notice are published in their entirety below.

DATES: These actions will be effective November 20, 2006.

FOR FURTHER INFORMATION CONTACT: For information regarding these changes and for general information regarding the USTP's Privacy Act systems, contact Sue Ann Slates, FOIA/Privacy Counsel, Executive Office for United States Trustees (EOUST), at (202) 307-1399.

SUPPLEMENTARY INFORMATION: On April 20, 2005, amendments to the Bankruptcy Code, 11 U.S.C. 101, *et seq.*, were enacted that took effect on October 17, 2005. Under the new provisions, all individual debtors are required to receive credit counseling and a budget analysis from a USTP approved nonprofit budget and credit counseling agency within 180 days prior to filing a bankruptcy petition. Also, an individual debtor is required to take a personal financial management course from a USTP approved debtor education provider before receiving a bankruptcy discharge. The United States Trustees approve credit counseling and debtor education providers after determining their qualifications meet the standards set forth in the Bankruptcy Code and agency regulations. Accordingly, a new system of records is needed to cover applicants seeking to be USTP approved and reapproved providers of credit counseling and debtor education services under the Bankruptcy Code, as well as individuals who submit complaints and comments to the USTP regarding such providers. The records in this system will be used, among other things, to assist the EOUST and United States Trustees to assess the qualifications of credit counseling and debtor education applicants and providers, ensure compliance with the statutory and regulatory requirements, and collect and maintain complaints and comments submitted by individuals.
