Rules of Practice: Proposed Direct Final Rulemaking Procedures

AGENCY: Federal Railroad Administration (FRA), DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: FRA is proposing direct final rulemaking procedures to expedite the processing of noncontroversial regulatory changes to which no adverse comment is anticipated. Under the proposed procedures, FRA could choose to make routine or otherwise noncontroversial changes in a direct final rule which would become effective a specified number of days after its publication in the **Federal Register**, provided that no written adverse comment, or no request for a public hearing, was received before the rule's scheduled effective date. FRA would not use direct final rulemaking for complex or controversial matters.

DATES: Written comments must be received by December 11, 2006. Comments received after that date will be considered to the extent possible without incurring additional expense or delay.

FRA anticipates being able to resolve this rulemaking without a public, oral hearing. However, if FRA receives a specific request for a public, oral hearing prior to November 13, 2006, one will be scheduled and FRA will publish a supplemental notice in the **Federal Register** to inform interested parties of the date, time, and location of any such hearing.
