Take notice that on October 6, 2006, Aquila, Inc. (Aquila), 1815 Capitol Avenue, Omaha, NE 68102, filed in Docket No. CP07-2-000, an abbreviated application pursuant to section 7(f) of the Natural Gas Act requesting the determination of a service area within which Aquila may, without further commission authorization, provide natural gas distribution service. Aquila also requests a waiver of the Commission's accounting and reporting requirements and other regulatory requirements ordinarily applicable to natural gas companies under the NGA, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. For assistance, call (202) 502-8659 or TTY, (202) 208-3676.

Any questions regarding this application should be directed to Arleen

Dizona, Aquila Networks, 1815 Capitol Avenue, Omaha, NE 68102; (402) 221-2630 (telephone) or [arleen.dizona@aquila.com](mailto:arleen.dizona@aquila.com), or Patrick Joyce, Blackwell Sanders Peper Martin LLP, 1620 Dodge Street, Suite 2100, Omaha, NE 68102; (402) 964-5012 (telephone) or [pjoyce@blackwellsanders.com](mailto:pjoyce@blackwellsanders.com).

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

The Commission strongly encourages electronic filings of comments, protests and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web (<http://www.ferc.gov>) site under the "e-Filing" link.
