[Project No. 12514-000-Indiana]

Northern Indiana Public Service Company; Norway-Oakdale Project; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

October 12, 2006.

Rule 2010 of the Federal Energy Regulatory Commission's (hereinafter, Commission) Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission staff is consulting with the Indiana State Historic Preservation Officer (hereinafter, SHPO) and the Advisory Council on Historic Preservation (hereinafter, Council) pursuant to the Council's regulations, 36 CFR part 800, implementing section 106 of the National Historic Preservation Act, as amended, (16 U.S.C. 470 f), to prepare and execute a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the Norway-Oakdale Project No. 12514–000 (SHPO Reference Number DNR #10475).

The programmatic agreement, when executed by the Commission and the SHPO would satisfy the Commission's section 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated (36 CFR 800.13[e]). The Commission's responsibilities pursuant to section 106 for the Norway-Oakdale Project would be fulfilled through the programmatic agreement, which the Commission proposes to draft in consultation with certain parties listed below. The executed programmatic agreement would be incorporated into any Order issuing a license.

Northern Indiana Public Service Company, as licensee for Project No. 12514, the Pokagon Band of Potawatomi Indians of Indiana and Michigan, and the Miami Tribe of Oklahoma are invited to participate in consultations to develop the programmatic agreement.

For purposes of commenting on the programmatic agreement, we propose to restrict the service list for the aforementioned project as follows:

- Don Klima or Representative, Advisory Council on Historic Preservation, The Old Post Office Building, Suite 803, 1100 Pennsylvania Avenue, NW., Washington, DC 20004.
- Jerome B. Weeden, Vice President of Generation or Representative, Northern Indiana Public Service Company, 801 East 86th Avenue, Merrillville, IN 46410.
- Karie A. Brudis or Representative, Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology, 402 W. Washington Street, W274, Indianapolis, IN 46204–2739.
- John Miller, Tribal Chairman or Representative, Pokagon Band of Potawatomi Indians of Indiana and Michigan, 58620 Sink Road, Dowagiac, MI 49047.
- Floyd Leonard, Chief or Representative, Miami Nation of Oklahoma, 202 South Eight Tribes Trail, Miami, OK 74354.

Any person on the official service list for the above-captioned proceeding may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date. In a request for inclusion, please identify the reason(s) why there is an interest to be included. Also please identify any concerns about historic properties, including Traditional Cultural Properties. If historic properties are to be identified within the motion, please use a separate page, and label it NON-**PUBLIC** Information.

An original and 8 copies of any such motion must be filed with Magalie Salas, the Secretary of the Commission (888 First Street, NE., Washington, DC 20426) and must be served on each person whose name appears on the official service list. Please put the project name "Norway-Oakdale Project" and number "P–12514–000" on the front cover of any motion. If no such motions are filed, the restricted service list will be effective at the end of the 15 day period. Otherwise, a further notice will be issued ruling on any motion or motions filed within the 15 day period.

Magalie Salas,

Secretary.

Parkview AMC Energy, LLC; Notice of Issuance of Order

October 13, 2006.

Parkview AMC Energy, LLC (Parkview) filed an application for market-based rate authority, with an accompanying tariff. The proposed market-based rate tariff provides for the sale of energy, capacity and ancillary services at market-based rates. Parkview also requested waivers of various Commission regulations. In particular, Parkview requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Parkview.

On September 7, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34. The Director's order also stated that the Commission would publish a separate notice in the Federal Register establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approvals of issuances of securities or assumptions of liability by Parkview should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is November 13, 2006.

Absent a request to be heard in opposition by the deadline above, Parkview is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Parkview, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Parkview's issuance of securities or assumptions of liability.

PEAK Capital Management, LLC; Notice of Issuance of Order

October 13, 2006.

PEAK Capital Management, LLC (PEAK filed an application for marketbased rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy, capacity and ancillary services at market-based rates. PEAK also requested waivers of various Commission regulations. In particular, PEAK requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by PEAK.

On September 27, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the Federal Register establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approvals of issuances of securities or assumptions of liability by PEAK should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and

Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is November 13, 2006.

Absent a request to be heard in opposition by the deadline above, PEAK is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of PEAK, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of PEAK's issuance of securities or assumptions of liability.

[Docket No. CP06-465-000]

Puget Sound Energy, Inc.; Notice of Application

October 13, 2006.

Take notice that on September 22, 2006, Puget Sound Energy, Inc., (Puget), as Operator of the Jackson Prairie Storage Project (Project), 10885 NE. 4th Street P.O. Box 97034 Bellevue, WA 98009–9734, filed in Docket No. CP06– 465–000, an application pursuant to section 7(c) of the Natural Gas Act (NGA), as amended, for authorization to construct and operate facilities to mitigate gas migration at the storage facility, and to confirm the approved status of all current well operations at the storage facility as well as the Project's certificated zone boundaries, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may also be viewed on the Commission's Web site at *http://www.ferc.gov* using the "eLibrary" link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. For assistance, call (202) 502–8659 or TTY, (202) 208–3676.

Specifically, Puget seeks: (1) Certificate authority to construct and operate facilities (including certain minor pipeline, compression, and related facilities) necessary to efficiently recycle natural gas back to Zone 2, a currently authorized storage reservoir at the Project, from Zone 1, another reservoir at the Project not currently authorized for storage activities, to which such gas has migrated, and to utilize Zone 1 on an ongoing basis in support of the previously authorized Zone 2 storage operation; (2) an amendment to the Project's existing certificate to reflect a small reduction in the authorized cushion gas level at the project; and (3) amendments to existing certificates or new certificate authority, as necessary, to confirm the approved status of all current well operations at the Project's certificated zone boundaries.

Any questions regarding this application should be directed to Andrea J. Chambers, Troutman Sanders LLP, 401 9th Street, NW., suite 1000 Washington, DC 20004–4605, or call (202) 274–2950.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.
