## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket Nos. ER06-1222-000; ER06-1222-001; and ER06-1222-002]

#### PEAK Capital Management, LLC; Notice of Issuance of Order

October 13, 2006.

PEAK Capital Management, LLC (PEAK) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy, capacity and ancillary services at market-based rates. PEAK also requested waivers of various Commission regulations. In particular, PEAK requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by PEAK.

On September 27, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approvals of issuances of securities or assumptions of liability by PEAK should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and

Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is November 13, 2006.

Absent a request to be heard in opposition by the deadline above, PEAK is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of PEAK, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of PEAK's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number field to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. CP06-465-000]

#### Puget Sound Energy, Inc.; Notice of Application

October 13, 2006.

Take notice that on September 22, 2006, Puget Sound Energy, Inc., (Puget), as Operator of the Jackson Prairie Storage Project (Project), 10885 NE. 4th Street P.O. Box 97034 Bellevue, WA 98009-9734, filed in Docket No. CP06-465-000, an application pursuant to section 7(c) of the Natural Gas Act (NGA), as amended, for authorization to construct and operate facilities to mitigate gas migration at the storage facility, and to confirm the approved

status of all current well operations at the storage facility as well as the Project's certificated zone boundaries, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. For assistance, call (202) 502-8659 or TTY, (202) 208-3676.

Specifically, Puget seeks: (1) Certificate authority to construct and operate facilities (including certain minor pipeline, compression, and related facilities) necessary to efficiently recycle natural gas back to Zone 2, a currently authorized storage reservoir at the Project, from Zone 1, another reservoir at the Project not currently authorized for storage activities, to which such gas has migrated, and to utilize Zone 1 on an ongoing basis in support of the previously authorized Zone 2 storage operation; (2) an amendment to the Project's existing certificate to reflect a small reduction in the authorized cushion gas level at the project; and (3) amendments to existing certificates or new certificate authority, as necessary, to confirm the approved status of all current well operations at the Project's certificated zone boundaries.

Any questions regarding this application should be directed to Andrea J. Chambers, Troutman Sanders LLP, 401 9th Street, NW., suite 1000 Washington, DC 20004-4605, or call (202) 274-2950.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.
