Foreign Agricultural Service

Title: Public Law 480, Title I Financing and Record Keeping.

OMB Control Number: 0551-0005.

Summary of Collection: Title I of the Agricultural Trade Development and Assistance Act of 1954, as amended, (Pub. L. 480, 83rd Congress, as amended) provides for U.S. government financing of sales of U.S. agricultural commodities to recipients (foreign countries or private entities). The Foreign Agricultural Service (FAS) is responsible for administering Public Law 480, Title I agreements. In accordance with the law, an agreement providing for long-term credit financing is first negotiated with the recipient through diplomatic channels. After an agreement has been signed, the recipient applies to FAS for authorization to purchase each commodity provided in the agreement. At least 75 percent of the gross tonnage of commodities purchased under Title I must be shipped on privately owned U.S. flag commercial vessels to the extent such vessels are available at fair and reasonable rates. If ocean transportation is required to a country where there is no U.S. flag vessel coverage, a foreign vessel will be used at its prevailing rate. The recipient must send the pertinent terms of all proposed ocean freight contracts, regardless of whether any portion of the ocean freight is financed by CCC, to FAS for review and approval before the vessel is contracted.

Need and Use of the Information: FAS will collect information to insure that (1) suppliers keep accurate records on Title 1 transactions; (2) suppliers permit access to authorized USDA representatives (such as auditors and investigators); and, (3) suppliers retain records for three years after final payment. FAS will review the information to ensure that there are no potential conflicts of interest. FAS also evaluate the sales price to ensure that it is within the prevailing range of export market prices. Without the information, FAS could not ensure program compliance.

Description of Respondents: Business or other for-profit.

Number of Respondents: 9.

Frequency of Responses:

Recordkeeping; Reporting: On occasion.

Total Burden Hours: 11.

Foreign Agricultural Service

Title: CCC's Export Enhancement Program (EEP) and CCC's Dairy Export Incentive Program (DEIP).

OMB Control Number: 0551-0028.

Summary of Collection: The Foreign Agricultural Service (FAS) collects information from U.S. exporters in order to determine the exporters' eligibility for the Export Enhancement Program (EEP) and the Dairy Export Incentive Program (DEIP). Program applicants can fax information in or applicants may register over the Internet.

Need and Use of the Information: Information collected from U.S. Exporters is used by FAS to determine whether an exporter has the experience necessary to perform under the proposed agreements. Other information is collected to determine compliance during the period of the agreement and to ensure that compensation in the appropriate amount is made. Without the application and related information, FAS would be unable to properly qualify U.S. Exporters for EEP and DEIP.

Description of Respondents: Business or other for-profit.

Number of Respondents: 9.

Frequency of Responses:

Recordkeeping; Reporting: On occasion.
