Gaming on Trust Lands Acquired After October 17, 1988

Type of review: Renewal.

OMB Control Number: 1076-0158.

Title: Gaming on Trust Lands Acquired after October 17, 1988, 25 CFR 292.

Summary: The collection of information will ensure that the provisions of IGRA, the relevant provisions of State laws, Federal law and the trust obligations of the United States are met when federally recognized tribes seek a secretarial determination that a gaming establishment would be in the best interest of the tribe and would not be detrimental to the surrounding community. Section 292.8 specifies the information collection requirement. An Indian tribe must ask the Secretary to make a determination that a gaming establishment would be in the best interest of the tribe and would not be detrimental to the surrounding community. The information to be collected includes: name of the tribe, tribal documents, description of the land to be acquired, proof of ownership,

distance of land from the Indian tribe's reservation or trust lands and other documents deemed necessary. Collection of this information is currently authorized under an approval by OMB (OMB Control Number 1076-0158). All information is collected when the tribe submits a request for a secretarial determination that a gaming establishment would be in the best interest of the tribe and would not be detrimental to the surrounding community. Annual reporting and record keeping burden for this collection of information is estimated to average 1,000 hours each for approximately 2 respondents, including the time for reviewing instructions, researching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information, thus, the total annual reporting and record keeping burden for this collection is estimated to be 2,000 hours.

Frequency of Collection: Annually.

Description of Respondents: Federally recognized tribes.

Total Respondents: 2.

Response Hours per Application: 1,000.

Total Annual Burden Hours: 2,000 hours.
