SUPPLEMENTARY INFORMATION: The National Wildlife Refuge System Administration Act of 1966 (Refuge Administration Act), as amended (16 U.S.C. 668dd-668ee), requires all lands within the National Wildlife Refuge System to be managed in accordance with an approved CCP. A CCP guides a refuge's management decisions, and identifies long-range refuge goals, objectives, and strategies for achieving the purposes for which the refuge was established. During the CCP planning process many elements will be considered, including wildlife and habitat protection and management, and public use opportunities. Public input during the planning process is essential. The CCP for the Cape Meares, Oregon Islands, and Three Arch Rocks Refuges will describe the purposes and desired conditions for the Refuges and the long-term conservation goals, objectives, and strategies for fulfilling the purposes and achieving those conditions. The Service will prepare an environmental document for compliance with the National Environmental Policy Act (NEPA) of 1969, as amended, and NEPA's implementing procedures.

Background

Cape Meares National Wildlife Refuge is located on the Oregon coast between Tillamook Bay and Netarts Bay, and was established in 1938 through the acquisition of excess lands from the U.S. Coast Guard. The Refuge is comprised of two units separated by Cape Meares State Scenic Viewpoint, which is managed by Oregon Parks and Recreation Department (OPRD). Cape Meares Refuge includes vertical coastal cliffs, rock outcroppings, and rolling headlands, with an old-growth forest dominated by Sitka spruce and western hemlock. A smaller section of old-growth blowdown forest in early seral stage is also present within the Refuge boundary adjacent to a clearcut. Management programs at the Cape Meares Refuge are primarily focused on preserving the old growth forest, maintaining the integrity of a Research Natural Area, protecting seabird nesting colonies and a peregrine falcon eyrie, and providing opportunities for the public to learn about wildlife resources
