

determines that a waiver will not impair the proper operation of the sugar quota system, that it will not have the effect of modifying the allocation of sugar under Additional U.S. Note 5 to Chapter 17 of the Harmonized Tariff Schedule, and that such waiver is justified by unusual, unavoidable, or otherwise appropriate circumstances.

Therefore, the Department will consider requests for a waiver of the requirement for presentation of certificates of quota eligibility for sugar imported from Mexico during FY 2006. This notice does not apply to requests for a waiver of a deadline to enter sugar within a tariff-rate quota period, and applies only to sugar imported from Mexico during FY 2006. To receive full consideration, written requests for a waiver of the requirement for presentation of a sugar certificate for quota eligibility along with the original entry of sugar from Mexico must be received by December 1, 2006. If Mexico's FY 2006 sugar tariff-rate quota fills, no more waivers will be considered. Individual entries affected by this notice will be processed in the order they are received.

DEPARTMENT OF COMMERCE

Bureau of the Census

[Docket Number 061026279-6279-01]

Annual Retail Trade Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of determination.

SUMMARY: The Bureau of the Census (Census Bureau) is conducting the Annual Retail Trade Survey (ARTS). The Census Bureau has determined a need to collect data covering annual sales, e-commerce sales, percent of e-commerce sales to customers located outside the United States, year-end inventories, total operating expenses, purchases, accounts receivables and, for

select industries, merchandise line sales and percent of sales by class of customer.

ADDRESSES: The Census Bureau will furnish report forms to organizations included in the survey. Additional copies are available upon written request to the Director, U.S. Census Bureau, Washington, DC 20233-0101.

FOR FURTHER INFORMATION CONTACT: Mr. John Miller, Service Sector Statistics Division, at (301) 763-2747.

SUPPLEMENTARY INFORMATION: The ARTS is a continuation of similar retail trade surveys conducted each year since 1951 (except 1954). This survey provides, on a comparable classification basis, annual sales, e-commerce sales, purchases, and year-end inventories for 2006. These data are not publicly available from non-governmental or other governmental sources on a timely basis.

The Census Bureau will require a selected sample of firms operating retail establishments in the United States (with sales size determining the probability of selection) to report in the 2006 ARTS. We will furnish report forms to the firms covered by this survey and will require their submissions within 30 days after receipt. The sample will provide, with measurable reliability, statistics on the subjects specified above.

The Census Bureau is authorized to take surveys that are necessary to furnish current data on the subjects covered by the major censuses authorized by Title 13, United States Code (U.S.C.), Sections 182, 224, and 225. This survey will provide continuing and timely national statistical data on retail trade for the period between economic censuses. For 2006, the survey will, as it has in the past, operate as a separate sample of retail companies. The data collected in this survey will be similar to that collected in the past and within the general scope and nature of those inquiries covered in the economic census. These data will provide a sound statistical basis for the formation of policy by various government agencies.
