

TENNESSEE VALLEY AUTHORITY**Paperwork Reduction Act of 1995, as Amended by Public Law 104-13; Proposed Collection, Comment Request****AGENCY:** Tennessee Valley Authority.**ACTION:** Proposed collection; comment request.

SUMMARY: The proposed information collection described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). The Tennessee Valley Authority is soliciting public comments on this proposed collection as provided by 5 CFR 1320.8(d)(1). Requests for information, including copies of the information collection proposed and supporting documentation, should be directed to the Agency Clearance Officer: Alice D. Witt, Tennessee Valley Authority, 1101 Market Street (EB 5B), Chattanooga, Tennessee 37402-2801; (423) 751-6832 (SC: 000V7DC). Comments should be sent to the Agency Clearance Officer no later than January 8, 2007.

SUPPLEMENTARY INFORMATION:*Type of Request:* Extension.*Title of Information Collection:* Section 26a Permit Application.*Frequency of Use:* On occasion.*Type of Affected Public:* Individuals or households, state or local governments, farms, businesses, or other for-profit Federal agencies or employees, non-profit institutions, small businesses or organizations.*Small Businesses or Organizations Affected:* Yes.*Federal Budget Functional Category Code:* 452.*Estimated Number of Annual Responses:* 4000.*Estimated Total Annual Burden Hours:* 6000.*Estimated Average Burden Hours per Response:* 1.5.

Need For and Use of Information: TVA Land Management activities and Section 26a of the Tennessee Valley Authority Act of 1933, as amended, require TVA to collect information relevant to projects that will impact TVA land and land rights and review and approve plans for the construction, operation, and maintenance of any dam, appurtenant works, or other obstruction affecting navigation, flood control, or public lands or reservations across, along, or in the Tennessee River or any of its tributaries. The information collected is used to assess the impact of the proposed project on TVA land or

land rights and statutory TVA programs and determine if the project can be approved. Rules for implementation of TVA's Section 26a responsibilities are published in 18 CFR part 1304.

BILLING CODE 8120-08-P**DEPARTMENT OF TRANSPORTATION****Surface Transportation Board****[STB Docket No. AB-6 (Sub-No. 453X)]****BNSF Railway Company—
Abandonment Exemption—in King
County, WA**

BNSF Railway Company (BNSF) has filed a notice of exemption under 49 CFR Part 1152 Subpart F—*Exempt Abandonments* to abandon approximately 0.65 miles of rail line, extending between milepost 10.60 and milepost 11.25, near Wilburton, in King County, WA. The line traverses United States Postal Service Zip Code 98005.

BNSF has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) overhead traffic on the line will be rerouted; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment-Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on December 8, 2006, unless stayed pending reconsideration. Petitions to stay that do not involve environmental

issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 20, 2006. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by November 28, 2006, with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to BNSF's representative: Sidney L. Strickland, Jr., Sidney Strickland and Associates, PLLC, 3050 K Street, NW., Suite 101, Washington, DC 20007.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

BNSF has filed a combined environmental and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by November 13, 2006. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), BNSF shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by BNSF's filing of a notice of consummation by November 8, 2007, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which was increased to \$1,300 effective on April 19, 2006. See *Regulations Governing Fees for Services Performed in Connection with Licensing and Related Services—2006 Update*, STB Ex Parte No. 542 (Sub-No. 13) (STB served Mar. 20, 2006).
