SUPPLEMENTARY INFORMATION: The EEOC enforces the ADEA of 1967, as amended, 29 U.S.C. 621 *et seq.*, which prohibits discrimination against employees and applicants for employment who are age 40 or older. Congress amended the ADEA by enacting the Older Workers Benefit Protection Act of 1990 (OWBPA), Pub. L. 101-433, 104 Stat. 983(1990), to clarify the prohibitions against discrimination on the basis of age. In Title II of OWBPA, Congress addressed waivers of rights and claims under the ADEA. The provisions of Title II of OWBPA require employers to provide certain information to employees (but not to EEOC) in writing when asking those employees to waive or release ADEA claims. The regulation at 29 CFR 1625.22 reiterates those requirements. The EEOC seeks extension without change of the information collection requirements contained in this record keeping regulation.

Overview of This Information Collection

Collection title: Disclosure requirements under Title II of the Older Workers Benefit Protection Act of 1990 (OWBPA), 29 CFR Part 1625.

OMB number: 3046-0042

Type of respondents: Business, state or local governments, not for profit institutions.

Description of affected public: Any employer with 20 or more employees that seeks waiver agreements in connection with exit incentive or other employment termination programs (hereinafter, "Exit Program").

Number of responses: 13,713.

Reporting hours: 41,139.

Federal cost: None.

Abstract: This requirement involves providing adequate information in waiver agreements offered to a group or class of persons in connection with an Exit Program, to satisfy the requirements of the OWBPA.

Burden statement: The only paperwork burden involved is the inclusion of the relevant data in waiver agreements under the OWBPA. The rule applies to those employers who have 20 or more employees and who offer

waivers to a group or class of employees in connection with an Exit Program.

Pursuant to the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, and OMB regulations 5 CFR 1320.8(d)(1), the Commission solicits public comment to enable it to:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility;

(2) Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

For the Commission.
