BILLING CODE 4310-HC-P**DEPARTMENT OF THE INTERIOR****Bureau of Land Management****[UT-100-1430-ES; U-82096]****Notice of Realty Action; Recreation and Public Purposes Act Classification; Utah****AGENCY:** Bureau of Land Management, Interior.**ACTION:** Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) has examined and found suitable for classification for lease or conveyance to the City of Washington under the provisions of the Recreation and Public Purposes Act (R&PP), as amended, 15 acres of public land located in Washington County, Utah. The City of Washington proposes to use the land for a wareyard to accommodate office and storage space for City departments.

ADDRESSES: Bureau of Land Management, St. George Field Office, 345 E. Riverside Drive, St. George, Utah 84790.

DATES: Interested persons may submit written comments to the BLM at the address stated below. Comments must be received by not later than January 4, 2007.

FOR FURTHER INFORMATION CONTACT: Kathy Abbott, BLM Realty Specialist, at the address above or at (435) 688-3234.

SUPPLEMENTARY INFORMATION: The following described public land in Washington County, Utah has been examined and found suitable for classification for lease or conveyance for a municipal wareyard under provisions of the Recreation and Public Purposes (R&PP) Act, as amended (43 U.S.C. 869 *et seq.*), and is hereby classified accordingly:

Salt Lake Meridian

T. 42 S., R. 15 W.,

sec. 24, portions of S¹/₂NW¹/₄SE¹/₄SW¹/₄, S¹/₂SE¹/₄SW¹/₄.

The area described contains 15 acres in Washington County.

The City of Washington has filed with BLM an application pursuant to the R&PP Act, as amended. The City of Washington proposes to use the land for a wareyard to accommodate office and storage space for City departments based on a plan submitted with the application. The public land is not required for any Federal purpose.

Lease/conveyance is consistent with current BLM planning for this area and would be in the public interest. The lease/conveyance, when issued, would be subject to the following terms, conditions, and reservations:

1. Provisions of the R&PP Act and all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

3. All minerals are reserved to the United States, together with the right to prospect for, mine, and remove the minerals, under applicable laws and regulations established by the Secretary of the Interior.

4. All valid existing rights.

5. Any other reservations that the authorized officer determines appropriate to ensure public access and proper management of Federal lands and interests therein. Detailed information concerning the proposed lease or conveyance, including environmental records, is available at the BLM St. George Field Office at the address above.

On November 20, 2006, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease or conveyance under the R&PP Act and leasing under the mineral leasing laws.

Interested persons may submit comments regarding the proposed classification or lease/conveyance of the land to the Field Office Manager, BLM St. George Field Office at the address above. Comments must be received by not later than January 4, 2007.

Classification Comments

Interested parties may submit comments involving the suitability of the lands for a City wareyard. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether

the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments

Interested parties may submit comments regarding the specific use proposed in the City of Washington's application, whether the BLM followed proper administrative procedures in processing the application and in reaching the proposed decision, or any other factor not directly related to the suitability of the land for City wareyard purposes.

All submissions from organizations or businesses will be made available for public inspection in their entirety. Individuals may request confidentiality with respect to their name, address, and phone number. If you wish to have your name or street address withheld from public review, or from disclosure under the Freedom of Information Act, the first line of the comment should start with the words "CONFIDENTIALITY REQUEST" in uppercase letters in order for BLM to comply with your request. Such requests will be honored to the extent allowed by law. Comment contents will not be kept confidential.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the decision to lease or convey will become the final decision of the Department of the Interior. In the absence of any adverse comments, the classification will become effective on January 19, 2007. The land will not be offered for lease/conveyance until after the classification becomes effective. (Authority: 43 CFR 2741.5)

Dated: July 18, 2006.

Kim Leany,

Acting Field Office Manager.

Editorial Note: This document was received at the Office of the Federal Register on November 14, 2006.

SUPPLEMENTARY INFORMATION:

Title: 30 CFR 254, "Oil-Spill Response Requirements for Facilities Located Seaward of the Coast Line."

OMB Control Number: 1010-0091.

Abstract: The Federal Water Pollution Control Act (FWPCA), as amended by the Oil Pollution Act of 1990 (OPA), requires that a spill-response plan be submitted for offshore facilities prior to February 18, 1993. The OPA specifies that after that date, an offshore facility may not handle, store, or transport oil unless a plan has been submitted. This authority and responsibility are among those delegated to the Minerals Management Service (MMS) by Executive Order 12777. Regulations at 30 CFR part 254 establish requirements for spill-response plans for oil-handling facilities seaward of the coast line, including associated pipelines.

The MMS uses the information collected under 30 CFR 254 to determine compliance with OPA by owners/operators. Specifically, MMS needs the information to:
