#### Northern Indiana Public Service Company, Indiana Norway-Oakdale Project; Notice of Revised Restricted Service List for the Programmatic Agreements for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

November 16, 2006.

On October 12, 2006, the Federal Energy Regulatory Commission (Commission) issued notice of a proposed restricted service list for the preparation of a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the Norway-Oakdale Hydroelectric Project No. 12514. Rule 2010(d)(1) of the Commission's Rules of Practice and Procedure, 18 CFR. 2010(d)(1) (2005), provides for the establishment of such a list for a particular phase or issue in a proceeding to eliminate unnecessary expense or improve administrative efficiency. Under Rule 2010(d)(4), persons on the official service list are to be given notice of any proposal to establish a restricted service list and an opportunity to show why they should also be included on the restricted service list.

On October 23, 2006, the Northern Indiana Public Service Company (NIPSCO) filed a request to include Barbara K. Heffernan and Sarah S.

Dietrich, both counsel for NIPSCO, on the proposed restricted service list.

Under Rule 2010(d)(2), any restricted service list will contain the names of each person on the official service list, or the person's representative, who, in the judgment of the decisional authority establishing the list, is an active participant with respect to the phase or issue in the proceeding for which the list is established. As the licensee for the project, NIPSCO has an identifiable interest in issues relating to the management of historic properties at the Norway-Oakdale Project. Therefore, NIPSCO's representatives will be added to the restrictive service list.

Accordingly, the restricted service list issued on October 12, 2006, for the Norway-Oakdale Project No. 12514, is revised to add the following persons:

Barbara K. Heffernan, Schiff Hardin LLP, 1101 Connecticut Ave., NW., Suite 600, Washington, DC 20036.  
Sarah S. Dietrich, Senior Attorney, NiSource, Inc., 2603 Augusta Drive, Suite 300, Houston, TX 77057.

[Docket No. RM98-1-000]

#### Records Governing Off-the Record Communications; Public Notice

November 17, 2006.

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of prohibited and exempt off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive a prohibited or exempt off-the-record communication relevant to the merits of a contested proceeding, to deliver to the Secretary of the Commission, a copy of the communication, if written, or a

summary of the substance of any oral communication.

Prohibited communications are included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision.

Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications are included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of off-the-record communications recently received by the Secretary of the Commission. The communications listed are grouped by docket numbers in ascending order. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary link. Enter the docket number, excluding the last three digits, in the docket number field to access the document.
