### Food and Nutrition Service

*Title:* Worksheet for Food Stamp Program Quality Control Reviews.

*OMB Control Number:* 0584-0074.

*Summary of Collection:* State agencies are required to perform Quality Control Reviews for the Food Stamp Program in conjunction with Section 16 of the Food Stamp Act of 1977. The food stamp worksheet (FNS-380) provides a systematic means of aiding the State agency's quality control reviewer in analyzing household case record; planning and carrying out the field investigations; and gathering, comparing, analyzing and evaluating the review data. Relevant information from the case record, investigative work and documentation about individual cases is recorded on the FNS-380.

*Need and Use of the Information:* The Food and Nutrition Service (FNS) will use the information from the FNS-380 to record identifying information about the household and to also document and evaluate each step of the field investigation process to determine eligibility and payment amounts under FNS' approved State agency practices.

*Description of Respondents:* State, local, or tribal government; Individuals or households.

*Number of Respondents:* 57,199.

*Frequency of Responses:* Recordkeeping; Reporting: On occasion; Annually.

*Total Burden Hours:* 542,887.

### Food Nutrition Service

*Title:* Monthly Claim for Reimbursement.

*OMB Control Number:* 0584-0284.

*Summary of Collection:* The Child Nutrition Act of 1966 requires that educational agencies disburse and appropriate funds during the fiscal year for the purposes of carrying out provisions of the Special Milk Program (SMP). The National School Lunch Act requires that State educational agency appropriated funds for any fiscal year for the purposes of fulfilling the earned reimbursement set forth in National School Lunch, Breakfast, and Special Milk Programs. The Food and Nutrition Service will use the monthly claim reimbursement form FNS-806A and 806B to fulfill the earned requirements identified in these programs, National

School Lunch Program (NSLP), SMP, and the School Breakfast Program (SBP).

*Need and Use of the Information:* The information is collected electronically from school food authorities that participate in NSLP, School Breakfast Program (SBP), and SMP programs. The forms contain meal and cost data collected from authorized program participants. Also, these forms are essential part of the accounting system used by the subject programs to ensure proper reimbursement. This information is collected monthly because of the constant fluctuation in school enrollment and program participation. Program participants would not receive the monthly reimbursement earned and the Agency would lose program accountability, if this information were collect less frequently.

*Description of Respondents:* State, local or tribal government.

*Number of Respondents:* 273.

*Frequency of Responses:* Record keeping; Reporting: Monthly.

*Total Burden Hours:* 1,198.
