Washington County, OR—Acquisition Exemption—Certain Assets of the Union Pacific Railroad Company

Washington County, OR (County), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire from Union Pacific Railroad Company (UP) certain right-of-way and trackage, totaling approximately 5 miles, in Washington County. The rail line (the Subject Line) extends between milepost 749.95 in Tigard and milepost 755.43 in Beaverton.¹

County certifies that its projected annual revenues as a result of the transaction will not exceed those that would qualify it as a Class III rail carrier. The parties state that they intended to consummate this transaction on or before November 27, 2006. Whether or not the parties will be able to consummate by that date depends upon receipt of favorable Board action on several related requests.

County states that it will acquire UP's right, title and interest in the right-of-way, trackage and other physical assets associated with the Subject Line, but will not acquire the right or obligation to conduct any rail freight operations thereon. UP will retain an exclusive, permanent easement for freight operations, but will transfer the easement to Portland & Western Railroad, Inc. (P&W), which will conduct freight operations on the Subject Line.²

If the notice contains false or misleading information, the exemption
