SUPPLEMENTARY INFORMATION:

Title: Dental Record Authorization and Invoice for Outpatient Services, VA Form 10-2570d.

OMB Control Number: 2900-0335.

Type of Review: Extension of a currently approved collection.

Abstract: VA Form 10-2570d is essential to the proper administration of VA outpatient fee dental program. The associated instructions make it possible to communicate with clarity the required procedures, peculiarities, and precautions associated with VA

authorizations for contracting with private dentists for the provision of dental treatment for eligible veteran beneficiaries. Since most of the veterans who are authorized fee dental care are geographically inaccessible to VA dental clinics, it is necessary to request information as to the veteran's oral condition, treatment needs and the usual customary fees for these services from the private fee dentist whom the veteran has selected. The form lists the dental treatment needs of the veteran patient, the cost to VA to provide such services, and serves as an invoice for payment. VA uses the data collected to verify the veteran's eligibility to receive dental benefits.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published on September 13, 2006 at page 54115.
