Persulfates from the People's Republic of China: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 19, 2006.

FOR FURTHER INFORMATION CONTACT: Charles Riggle or Marin Weaver Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: at (202) 482-0650 and (202) 482-2336, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 3, 2006, the Department of Commerce (“the Department”) published a notice of opportunity to request an administrative review of the antidumping duty order on persulfates from the People's Republic of China (“PRC”). *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 71 FR 37890 (July 3, 2006). On July 31, 2006, FMC Corporation (“FMC”) requested that the Department conduct an administrative review of Shanghai AJ Import and Export Corporation (“Shanghai AJ”). No other parties requested a review. The Department published a notice of the initiation of the antidumping duty administrative review of persulfates from the PRC for the period July 1, 2005, through June 30, 2006. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 51573 (August 30, 2006). On November 21, 2006, FMC withdrew its request for an administrative review.

Rescission of Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. FMC withdrew its request before the 90-day

deadline. Therefore, we are rescinding this review of the antidumping duty order on persulfates from the PRC covering the period July 1, 2005, through June 30, 2006. The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection within 15 days of publication of this rescission.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: December 12, 2006.

Deputy Assistant Secretary for Import Administration.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China: Final Results of 2004-2005 Administrative Review and Partial Rescission of Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") published its preliminary results of administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished ("TRBs"), from the People's Republic of China ("PRC") on July 14, 2006. The period of review ("POR") is June 1, 2004, through May 31, 2005. We invited interested parties to comment on our preliminary results. Based on our analysis of the comments received, we have made changes to our margin calculations. Therefore, the final results

differ from the preliminary results. The final dumping margins for this review are listed in the "Final Results of Review" section below.

EFFECTIVE DATE: December 19, 2006.

FOR FURTHER INFORMATION CONTACT: Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-0414.

SUPPLEMENTARY INFORMATION:

Background

On July 14, 2006, the Department published its preliminary results. *See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China: Preliminary Results of 2003-2004 Antidumping Administrative Review, and Notice of Intent to Rescind in Part*, 71 FR 40069 (July 14, 2006) ("Preliminary Results"). On August 11, 2006, The Timken Company (*i.e.*, Petitioner) submitted a case brief. On August 18, 2006, China National Machinery Import & Export Corporation ("CMC") submitted a rebuttal brief.

On November 16, 2006, the Department published a notice extending the time limit for the final results of review until December 11, 2006. *See Notice of Extension of Final Results of the 2003-2004 Administrative Review of Tapered Roller Bearings and Parts Thereof, Finished or Unfinished from the People's Republic of China*, 71 FR 66750 (November 16, 2006). We have conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.213.

Scope of Order

Merchandise covered by this order is TRBs from the PRC; flange, take-up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. This merchandise is currently classifiable under the *Harmonized Tariff Schedule of the United States* ("HTSUS") item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15, and 8708.99.80.80. Although the HTSUS item numbers are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Rescission of Review

In our preliminary results, we stated we preliminarily rescinded the review with respect to Chin Jun Industrial Ltd. ("Chin Jun"), Peer Bearing Company—Changshan ("CPZ"), Weihai Machinery Holding (Group) Company, Ltd. ("Weihai Machinery"), and Zhejiang Machinery Import & Export Corp ("ZMC") in accordance with 19 CFR 351.213(d)(1). Chin Jun, CPZ, and ZMC had all reported that they had either no sales or no exports to the United States during the POR and we had no evidence of shipments to the United States from these companies during the POR. *See Preliminary Results*, 71 FR at 40071. Additionally, in our preliminary results, for Weihai Machinery, we stated that the customs inquiry provided no evidence that Weihai Machinery had any shipments of subject merchandise during the POR and information on the record indicated that Weihai Machinery had no shipments and may be out of business, but indicated that we would continue to pursue this issue for the final results.

On July 13, 2006, the Department received confirmation from the Weihai Administration for Industry and Commerce that Weihai Machinery terminated operations on or before December 16, 2003. *See Memo to the file: Weihai Machinery Industry Supply Co., Ltd.: Cancellation of Company Registration*, dated November 29, 2006. Accordingly, we are rescinding this review with respect to Weihai Machinery. In addition, since we have received no new information since the preliminary results that contradicts the decision made in the preliminary results with respect to Chin Jun, CPZ or ZMC, we are rescinding the administrative review with respect to these companies as well.
