Fresh Garlic from the People's Republic of China: Extension of Time Limits for the Preliminary Results of the New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 20, 2006.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482–2243.

SUPPLEMENTARY INFORMATION:

Background

On July 7, 2006, the Department published a notice of initiation of a review of fresh garlic from the People's Republic of China ("PRC"), covering the period November 1, 2005, through April 30, 2006. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 71 FR 38607 (July 7, 2006).

The preliminary results are currently due on December 24, 2006. The Department issued supplemental questionnaires to all four new shippers. However, due to a substantial amount of information regarding the production and processing of the merchandise under consideration, the Department requires more time to issue additional supplemental questionnaires to the new shippers. Therefore, pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.214(h)(i)(2), we are extending the preliminary results of this new shipper review.

Extension of Time Limit of Preliminary Results

The Department determines that it would be extraordinarily complicated to complete the preliminary results of these reviews within the current statutory time period. This new shipper review covers four companies, and to conduct the sales and factor analyses for each requires the Department to gather and analyze a significant amount of information pertaining to each company's sales practices and manufacturing methods. The four new shipper reviews involve extraordinarily complicated methodological issues such as the use of intermediate input methodology, potential affiliation issues and the examination of importer information. Additionally, the Department requires more time to evaluate the *bona fide* nature of each company's sales.

Therefore, given the number and complexity of issues in this case, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of review by 120 days until April 23, 2007. The final results continue to be due 90 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(h)(i)(2).

Dated: December 14, 2006.

Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce. SUMMARY: The U.S. Department of Commerce (the Department) is rescinding its administrative review of the antidumping duty order on certain in–shell raw pistachios from Iran for the period July 1, 2005, through June 30, 2006.

EFFECTIVE DATE: December 20, 2006. FOR MORE INFORMATION CONTACT:

Angelica Mendoza or John Drury, AD/ CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–3019 and (202) 482–0195, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 3, 2006, the Department published in the Federal Register its notice of opportunity to request an administrative review of the antidumping duty order on certain inshell raw pistachios (pistachios) from Iran. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review, 71 FR 37890 (July 3, 2006). In response, on July 31, 2006, Cal Pure Pistachios, Inc. (Cal Pure), a domestic interested party, requested an administrative review of the antidumping duty order on pistachios from Iran for the period of review (POR) of July 1, 2005, through June 30, 2006, with respect to entries of merchandise exported or shipped by Tehran Negah Nima Trading Company (Nima). Respondent Nima did not request an administrative review. On August 25, 2006, the Department initiated an administrative review of Nima. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 71 FR 51573 (August 30, 2006). On September 18, 2006, the Department issued its antidumping duty questionnaire to Nima. On October 4, 2006, Nima's representative informed the Department that it would not be filing responses to the Department's questionnaire as it did not export or

ship subject merchandise during the POR. See Memorandum to the File from Angelica L. Mendoza, Tehran Negah Nima Trading Company - No Shipments of Certain In–Shell Raw Pistachios from Iran, dated October 5, 2006.

On October 20, 2006, the Department issued a "No Shipment Inquiry" to U.S. Customs and Border Protection (CBP) to confirm that there were no shipments or entries of pistachios from Iran exported by Nima during the POR of the instant administrative review. On November 7, 2006, the Department confirmed, based on its internal review of CBP data and the results of its CBP inquiry, there were no entries of merchandise exported or shipped by Nima during the POR. See Memorandum to the File from Angelica L. Mendoza, through Richard O. Weible, Office Director, Tehran Negah Nima Trading Company (Nima) - No Shipments of Certain In–Shell Raw Pistachios from Iran Per CBP Inquiry, dated November 7, 2006. On November 8, 2006, Cal Pure submitted a letter withdrawing its request for an administrative review of shipments or entries of pistachios from Iran exported by Nima. See Letter from Cal Pure dated November 8, 2006.

Rescission of Antidumping Duty Administrative Review

19 C.F.R. 351.213(d)(1) provides that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws at a later date if the Department determines it is reasonable to extend the time limit for withdrawing the request. In response to Cal Pure's timely withdrawal of its request for an administrative review as well as the fact that Nima had no shipments during the POR pursuant to 19 C.F.R. ¶351.213(d)(3), the Department hereby rescinds the administrative review of the antidumping duty order on pistachios from Iran for the period July 1, 2005, through June 30, 2006.

The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of the publication of this notice. The Department will direct CBP to assess antidumping duties for Nima at the cash deposit rate in effect on the date of entry for entries during the period July 1, 2005, through June 30, 2006.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 C.F.R. ¶351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 C.F.R. ¶351.305(a)(3). Timely written notification of the return/ destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 C.F.R. ¶351.213(d)(4).
