SUPPLEMENTARY INFORMATION:

Title: Dynamics of Unemployment in Young (20–24) Veterans.

OMB Control Number: 2900—New (Dynamics of Unemployment in (20–24) Young Veterans).

Type of Review: Extension of a currently approved collection.

Abstract: The purpose of the study is to obtain information on the unemployment dynamics among young veterans (ages 20–24) recently discharged. The data includes recent employment history; occupation; income; job-seeking; experience with training, education, and employment assistance; and education. The study is a telephone survey with a representative sample, with half from regular service and half from activated reserve components. Survey items are largely from existing National surveys, such as the Current Population Survey or its Veteran Supplement, National Longitudinal Survey of Youth, National Survey of Veterans, and the Survey of Income and Program Participation.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published on September 14, 2006, at page 54342.

Affected Public: Individuals or households.

Estimated Time per Respondent and Annual Burden: 667 hours.

Estimated Average Burden per Respondent: 20 minutes.

Frequency of Response: One-time.

Estimated Number of Respondents: 2,000.

Dated: December 11, 2006.

By direction of the Secretary.

Cindy Stewart,

Program Analyst Initiative Coordination Service.
