ACTION: Notice of proposed rulemaking by cross-reference to temporary regulations.

SUMMARY: In the Rules and Regulations section of this issue of the **Federal Register**, the IRS is issuing temporary regulations that affect component members of controlled groups of corporations and consolidated groups filing life-nonlife Federal income tax returns. They provide guidance regarding the apportionment of tax benefit items and the amount and type of information these members are required to submit with their returns. The text of those regulations also serves as the text of these proposed regulations.

DATES: Written or electronic comments, and a request for a public hearing, must be received by March 22, 2007.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG-161919-05), Room 5203, Internal Revenue Service, P.O. Box 7604, Ben Franklin Station,

SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend 26 CFR part 1 to add §§ 1.1502-43T, 1.1561-1T, 1.1561-2T and 1.1561-3T, and amend §§ 1.1502-47T and 1.1563-1T. The text of those temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the amendments.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to the following proposed regulations, §§ 1.1561-1, 1.1561-3 and 1.1563-1, and because these regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. With respect to the following proposed regulations, §§ 1.1502-43, 1.1502-47 and 1.1561-2, it is hereby certified that these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that these regulations primarily affect large corporations (which are members of either controlled or consolidated groups). Therefore, a regulatory flexibility analysis is not required. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. All comments will be available for public inspection and copying. A public hearing may be scheduled if requested in writing by any person that timely submits written or electronic comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these regulations is Grid Glycer of the Office of Associate Chief Counsel (Corporate). Other personnel from the Treasury Department and the IRS participated in their development.
