

www.nrc.gov/what-we-do/regulatory/decommissioning/reg-guides-comm.html. Supplement 1 has not been finalized as a separate document; instead, updated sections from Supplement 1 have been placed into the appropriate locations in revisions of Volumes 1 and 2 of NUREG-1757.

Volume 1 of NUREG-1757, entitled "Consolidated Decommissioning Guidance: Decommissioning Process for Materials Licensees," takes a risk-informed, performance-based approach to the information needed and the process to be followed to support an application for license termination for a materials licensee. Volume 1 is intended to be applicable only to the decommissioning of materials facilities licensed under 10 CFR Parts 30, 40, 70, and 72 and to the ancillary surface facilities that support radioactive waste disposal activities licensed under 10 CFR Parts 60, 61, and 63. However, parts of Volume 1 are applicable to reactor licensees, as described in the Foreword to the volume.

Volume 2 of the NUREG series, entitled, "Consolidated Decommissioning Guidance: Characterization, Survey, and Determination of Radiological Criteria," provides technical guidance on compliance with the radiological criteria for license termination of the LTR. Volume 2 is applicable to all licensees subject to the LTR.

The staff plans to revise Volume 3 of this NUREG series at a later date, and that revision will incorporate the Supplement 1 guidance that is related to Volume 3.

NUREG-1757 is intended for use by NRC staff and licensees. It is also available to Agreement States and the public. This NUREG is not a substitute for NRC regulations, and compliance with it is not required. The NUREG describes approaches that are acceptable to NRC staff. However, methods and solutions different than those in this NUREG will be acceptable, if they provide a basis for concluding that the decommissioning actions are in compliance with NRC regulations.

Congressional Review Act (CRA)

In accordance with the Congressional Review Act (CRA) of 1996, the NRC has determined that this action is not a major rule and has verified this determination with the Office of Information and Regulatory Affairs of the Office of Management and Budget.

Dated at Rockville, MD, this 19th day of December, 2006.

OFFICE OF PERSONNEL MANAGEMENT

Proposed Collection; Comment Request for Collection: Scholarship for Service Program Internet Webpage

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) submitted a request to the Office of Management and Budget (OMB). OPM requested OMB to approve a collection associated with the Scholarship For Service (SFS) Program Internet webpage. Approval of the webpage is necessary to facilitate the timely registration, selection, and placement of program-enrolled students in Federal agencies.

The SFS Program was established by the National Science Foundation in accordance with the Federal Cyber Service Training and Education Initiative as described in the President's *National Plan for Information Systems Protection*. This program seeks to increase the number of qualified students entering the fields of information assurance and computer security in an effort to respond to the threat to the Federal Government's information technology infrastructure. The program provides capacity building grants to selected 4-year colleges and universities to develop or improve their capacity to train information assurance professionals. It also provides selected 4-year colleges and universities scholarship grants to attract students to the information assurance field. Participating students who receive scholarships from this program are required to serve a 10-week internship during their studies and complete a post-graduation employment commitment equivalent to the length of the scholarship or one year, whichever is longer.

OPM projects that 450 students will graduate from participating institutions

over the next three years. These students will need placement in addition to the 180 students needing placement this year. We estimate the collection of information for registering and creating an online resume to be 45 minutes to 1 hour. We estimate the total number of hours to be 630.

Comments: We received no comments in response to our 60-day notice.

U.S. Office of Personnel Management.

Tricia Hollis,

Chief of Staff/Director of Internal Affairs.

Applicants' Representations

1. The Trust is an open-end management investment company registered under the Act and organized as a Delaware business trust. The Corporation is an open-end management investment company registered under the Act and organized as a Maryland corporation. The Trust and Corporation are organized as series funds with multiple series. The Adviser, an investment adviser registered under the Investment Advisers Act of 1940, will serve as investment adviser to the New Fund. The Distributor, a broker-dealer unaffiliated with the Adviser and registered under the Securities Exchange Act of 1934 ("Exchange Act"), will serve as the principal underwriter of the New Fund's shares.

2. The Trust is currently permitted to offer several series based on fixed income securities indices in reliance on the Prior Fixed Income Order. Applicants seek to amend the Prior Fixed Income Order to permit the Trust to offer the New Fund that, except as described in the application, would operate in a manner identical to the existing series of the Trust that are subject to the Prior Fixed Income Order.³

3. The New Fund will invest in a portfolio of securities generally consisting of the component securities of the iBoxx \$ Liquid High Yield Index (formerly the GS \$ HYTop™ Index and the GS \$ InvesTop High-Yield Bond Index) (the "Underlying Index"). The Underlying Index is a rules-based index designed to reflect the 50 most liquid and tradable U.S. dollar-denominated high-yield corporate bonds registered for sale in the U.S. or exempt from registration. No entity that creates,

³ If the amended order is granted, the New Fund would also be able to rely on an exemptive order granting certain relief from section 24(d) of the Act to the existing series of the Trust that are subject to the Prior Orders. See iShares, Inc., *et al.*, Investment Company Act Release No. 25595 25623 (June 25, 2002) as amended by iShares Trust, *et al.*, Investment Company Act Release No. 26006 (Apr. 15, 2003) ("Prospectus Delivery Order").

compiles, sponsors, or maintains the Underlying Index is or will be an affiliated person, as defined in section 2(a)(3) of the Act, or an affiliated person of an affiliated person, of the Trust, the Adviser, the Distributor, or a promoter of the New Fund.

4. The investment objective of the New Fund will be to provide investment results that correspond generally to the price and yield performance of the Underlying Index. The New Fund will utilize as an investment approach a representative sampling strategy where the New Fund will seek to hold a representative sample of the component securities of the Underlying Index. The New Fund generally will invest at least 90% of its assets in the component securities of the Underlying Index, but at times may invest up to 20% of its assets in certain futures, options, and swap contracts, cash and cash equivalents, and in bonds not included in its Underlying Index which the Adviser believes will help the New Fund track the Underlying Index. Applicants state that such high-yield corporate bonds will have pricing and liquidity characteristics similar to the component securities of the Underlying Index. Applicants expect that the New Fund will have a tracking error relative to the performance of its respective Underlying Index of no more than 5 percent.

5. Applicants state that the New Fund will comply with the federal securities laws in accepting a deposit of a portfolio of securities designed by the Adviser to correspond generally to the price and yield of the New Fund's Underlying Index ("Deposit Securities") and satisfying redemptions with portfolio securities of the New Fund ("Fund Securities"), including that the Deposit Securities and Fund Securities are sold in transactions that would be exempt from registration under the Securities Act of 1933 (the "Securities Act").⁴

6. Applicants state that all discussions contained in the application for the Prior Fixed Income Order are equally applicable to the New Fund, except as specifically noted by applicants (and summarized in this notice). Applicants believe that the requested relief

⁴ In accepting Deposit Securities and satisfying redemptions with Fund Securities that are restricted securities eligible for resale pursuant to rule 144A under the Securities Act, the New Fund will comply with the conditions of rule 144A, including in satisfying redemptions with such rule 144A eligible restricted Fund Securities. The prospectus for the New Fund will also state that an authorized participant that is not a "Qualified Institutional Buyer" as defined in rule 144A(a)(1) will not be able to receive Fund Securities for redemption that are restricted securities eligible for resale under rule 144A.

continues to meet the necessary exemptive standards.

Future Relief

7. Applicants also seek to amend the Prior Orders to modify the terms under which the Companies may offer additional series in the future based on other securities indices ("Future Funds"). The Prior Fixed Income Order is currently subject to a condition that does not permit applicants to register any Future Fund by means of filing a post-effective amendment to a Fund's registration statement or by any other means, unless applicants have requested and received with respect to such Future Fund, either exemptive relief from the Commission or a no-action letter from the Division of Investment Management of the Commission. The Prior Equity Orders are currently subject to a similar condition related to future relief, although the condition to the Prior Equity Orders permits Future Funds to register with the Commission by means of filing a post-effective amendment to the Trust's or Corporation's registration statement if the Future Fund could be listed on a national securities exchange ("Exchange") without the need for a filing pursuant to rule 19b-4 under the Exchange Act.

8. The order would amend the Prior Orders to delete these conditions. Any Future Funds will (a) be advised by the Adviser or an entity controlled by or under common control with the Adviser; (b) track Underlying Indices that are created, compiled, sponsored or maintained by an entity that is not an affiliated person, as defined in section 2(a)(3) of the Act, or an affiliated person of an affiliated person, of the Adviser, the Distributor, the Trust or any subadviser or promoter of a Future Fund, and (c) comply with the respective terms and conditions of the Prior Orders, as amended by the present application.

9. Applicants believe that the modification of the future relief available under the Prior Orders would be consistent with sections 6(c) and 17(b) of the Act and that granting the requested relief will facilitate the timely creation of Future Funds and the commencement of secondary market trading of such Future Funds by removing the need to seek additional exemptive relief. Applicants submit that the terms and conditions of the Prior Orders have been appropriate for the exchange-traded funds advised by the Adviser ("Funds") and would remain appropriate for Future Funds. Applicants also submit that tying exemptive relief under the Act to the

ability of a Future Fund to be listed on an Exchange without the need for a rule 19b-4 filing under the Exchange Act is not necessary to meet the standards under sections 6(c) and 17(b) of the Act.

Applicants' Conditions

Applicants agree that the Prior Orders will be subject to the following conditions:

1. Each Fund's prospectus ("Prospectus") and product description ("Product Description") will clearly disclose that, for purposes of the Act, the shares of each Fund ("iShares") are issued by the Fund, which is an investment company, and that the acquisition of iShares by investment companies is subject to the restrictions of section 12(d)(1) of the Act, except as permitted by an exemptive order that permits investment companies to invest in a Fund beyond the limits in section 12(d)(1), subject to certain terms and conditions, including that the investment company enter into an agreement with the Fund regarding the terms of the investment.

2. As long as a Fund operates in reliance on the requested order, the iShares will be listed on an Exchange.

3. Neither the Trust, the Corporation, nor any Fund will be advertised or marketed as an open-end fund or a mutual fund. Each Fund's Prospectus will prominently disclose that iShares are not individually redeemable shares and will disclose that the owners of iShares may acquire those iShares from the Fund and tender those iShares for redemption to the Fund in Creation Unit Aggregations⁵ only. Any advertising material that describes the purchase or sale of Creation Unit Aggregations or refers to redeemability will prominently disclose that iShares are not individually redeemable and that owners of iShares may acquire those iShares from the Fund and tender those iShares for redemption to the Fund in Creation Unit Aggregations only.

4. The Web site(s) for the Trust and the Corporation, which will be publicly accessible at no charge, will contain the following information, on a per iShare basis, for each Fund: (a) The prior business day's net asset value ("NAV") and the midpoint of the bid-ask spread at the time of calculation of such NAV ("Bid/Ask Price"), and a calculation of the premium or discount of such Bid/Ask Price against such NAV; and (b) data in chart format displaying the frequency distribution of discounts and premiums of the daily Bid/Ask Price against the NAV, within appropriate

⁵ A "Creation Unit Aggregation" is a group of 50,000 or more iShares.

ranges, for each of the four previous calendar quarters. In addition, the Product Description for each Fund will state that the Web site for the Trust or the Corporation, as applicable, has information about the premiums and discounts at which that Fund's iShares have traded.

5. The Prospectus and annual report for each Fund will also include: (a) The information listed in condition 4(b), (i) in the case of the Prospectus, for the most recently completed year (and the most recently completed quarter or quarters, as applicable) and (ii) in the case of the annual report, for the immediately preceding five years, as applicable; and (b) the following data, calculated on a per iShare basis for one, five and ten year periods (or life of the Fund), (i) the cumulative total return and the average annual total return based on NAV and Bid/Ask Price, and (ii) the cumulative total return of the relevant Underlying Index.

6. Before a Fund may rely on the Prospectus Delivery Order, the Commission will have approved, pursuant to rule 19b-4 under the Exchange Act, an Exchange rule requiring Exchange members and member organizations effecting transactions in iShares of such Fund to deliver a Product Description to purchasers of iShares.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Deputy Secretary.
